

Children's Services

WAITING LIST APPLICATION

By completing and submitting the online form you will be placed on the waiting list for Campus Life Children's Services Centres. It is recommended you also consider alternative options as completion of the form does not guarantee enrolment at these centres.

To submit an online application, please follow the instructions below:

1. Go to <https://mywaitlist.com.au/> and select Parents.
2. Select Long Day Care for service type and North Ryde 2113 for suburb/postcode. Select the preferred centre/s.
3. Register (if you are not already a member of MyWaitList) or Sign in (if you are already a member of MyWaitList). You can also use your facebook account to log in.
4. Complete waiting list form. Press submit.
5. That's it! From here on, all you need to do is update your requirements on MyWaitList as they change and also respond to any emails from MyWaitList asking if you still wish to remain on our list.

Please take the time to read the information in this link <https://mywaitlist.com.au/about/how-it-works> to learn more about MyWaitList.

If you have any question or need assistance in submitting your online application, please do not hesitate to contact us by sending an email to childrensservices@mq.edu.au.
