(d) interfered with the otherwise satisfactory fulfillment of a unit or program of study requirements.

Grades

7. (1) The Academic Senate may make policies and procedures for or with respect to, but not limited to, the form and substance of grades, procedures for the determination and review of grades, and the rights and obligations of candidates in relation to the determination of grades.

(b) in exceptional circumstances, a change is approved by the Deputy Vice-Chancellor (Provost) on behalf of the Academic Senate or the Executive Dean of the Faculty in which the unit is offered, provided that the application for a change is submitted to the Registrar not later than six weeks after the notification of examination results for the study period; or in exceptional circumstances, the Deputy Vice-Chancellor (Provost) may approve on behalf of the Academic Senate an application submitted at a later date but before the commencement of the next succeeding examination period.

Non-compliance with requirements of a program of study or unit

8. (1) Subject to Rule 8(2), the Academic Senate may approve policies and procedures for the University which prescribe matters including, but not limited to:

(i) the requirements for satisfactory completion of a program of study or unit listed in any schedule of these rules;

(viii) other matters of an academic nature relating to the administration of programs of study and units.

(2) Where, notwithstanding a candidate’s failure to comply with the requirements, the candidate is not excluded, the Academic Senate may, on the recommendation of the Executive Dean of the Faculty in which the unit is provided, permit the candidate to meet the requirements for its satisfactory completion by such date as determined by the Executive Dean of Faculty. Satisfactory completion must not be later than the dates determined by the Registrar for each study period. In special circumstances, the Academic Senate, on the recommendation of the Executive Dean of Faculty, may determine a later date but before the commencement of the next succeeding regular examination period.

Discontinuance

9. Where a candidate is permitted to change the enrolment in units of study pursuant to Rule 4(2) (b) following application in writing to the Registrar and such change includes discontinuance of a unit or units offered by the University, or where a candidate discontinues all the units enrolled:

(a) The candidate is deemed not to have been effectively enrolled in a unit if they discontinue before the unit census date;

(b) The candidate is deemed to have withdrawn from a unit if the candidate discontinues after the unit census date but no later than 4 weeks after the unit census date. In such cases, the candidate’s record is endorsed with the letter “W” denoting “Withdrawn”.

(c) The candidate is deemed to have failed in any unit where the candidate’s discontinuance is other than as provided in clauses (a) or (b) in this Rule. In such cases the candidate’s record is endorsed with the letter “F” denoting “Failed”. If a candidate claims that such discontinuance is due to unavoidable disruption, the candidate may report the circumstances in writing (supported by medical certificate or other proper evidence) to the Registrar, whereupon the Executive Dean of Faculty providing any unit which the candidate has discontinued may determine that the candidate be not recorded as having failed in the unit and the candidate’s record is endorsed with the letter “W” denoting “Withdrawn”.

(d) A candidate whose record in a unit has been endorsed with the letter “W” or the grade “F” may, if the candidate has not been terminated therefrom pursuant to Rule 10, re-enrol in such a unit in a later year provided that such enrolment is subject to the provision of Rule 4, including any limitation imposed upon the enrolment in that unit. A candidate re-enrolling shall not receive credit for any work previously performed in that unit.
Termination of candidature

10. (1) At the commencement of the course the designated Executive Dean of Faculty shall indicate to candidates the requirements for satisfactory progress.

(2) If a candidate does not meet the requirements specified pursuant to Rule 10(1), the designated Executive Dean of Faculty shall ask the candidate to show cause why candidature should not be terminated.

(3) After considering any show-cause submission by the candidate, the designated Executive Dean of Faculty may confirm the termination of candidature or permit the candidate to re-enrol and may impose conditions upon such re-enrolment.

(4) If the candidate does not show cause, or the designated Executive Dean of Faculty confirms the termination of candidature, the Executive Dean shall report accordingly to the Registrar who shall advise the candidate of exclusion from the course.

(5) A candidate excluded pursuant to Rule 10(4) may appeal to the Academic Appeals Committee. Such appeal shall be submitted in writing by the date specified by the Registrar, except that the Academic Appeals Committee may agree to consider an appeal lodged at a later date. The Academic Appeals Committee may dismiss the appeal or permit the candidate to re-enrol and may impose conditions upon such re-enrolment.

Not to count for credit

11. (1) A candidate may not count for credit towards any award under these Rules the credit points of a unit if the candidate has already successfully completed a unit designated by the same unit code in the Schedule of Postgraduate Units.

(2) Except with the approval of the Academic Senate, on the recommendation of the Executive Dean of the Faculty concerned, a candidate may not count for credit towards any award under these rules the credit points in respect of a unit:

(a) if the candidate has successfully completed and is counting for credit another unit designated in the Schedule of Postgraduate Units as not to count for credit with that unit; or

(b) if the candidate has been granted credit pursuant to Rule 2(8) for one or more units in a program of study at another tertiary institution, and has successfully completed in that program a unit which, in the opinion of the Executive Dean of the Faculty concerned, is a similar unit.

(3) If two or more units are designated in the Schedule of Postgraduate Units as not to count for credit with each other, a student may include no more than one of these units in a program of study.

Deeming provision

12. The Academic Senate may recommend the conferring of a degree of the University upon any person who has completed a program of study in another tertiary institution which the Academic Senate, on the recommendation of the Deputy Vice-Chancellor (Provost), may from time to time deem to be the equivalent of a degree of this University.

13. The designated Executive Dean of the Faculty may declare that a candidate has completed the specified prescribed unit where other work completed by the candidate is deemed to be equivalent to the prescribed unit.

Saving clause

14. Notwithstanding anything to the contrary herein contained, the Academic Senate may, in any exceptional case in which it may deem it appropriate to do so, dispense with or suspend any requirements of or prescriptions by these rules. Any such action by the Academic Senate is to be reported forthwith to the Council.

Non-compliance with unit requirements

8. (1) (Repealed)

(2) Where, notwithstanding a candidate's failure to comply with the requirements, the candidate is not excluded, the Academic Senate may, on the recommendation of the Executive Dean of the Faculty in which the unit is provided, permit the candidate to meet the requirements for its satisfactory completion by such date as determined by the Executive Dean of Faculty. Satisfactory completion must not be later than the dates determined by the Registrar for each study period. In special circumstances, the Academic Senate, on the recommendation of the Executive Dean of Faculty, may determine a later date but before the commencement of the next succeeding regular examination period.

Discontinuance

9. Where a candidate is permitted to change the enrolment in units of study pursuant to Rule 4(2) (b) following application in writing to the Registrar and such change includes discontinuance of a unit or units offered by the University, or where a candidate discontinues all the units enrolled:

(a) The candidate is deemed not to have been effectively enrolled in a unit if they discontinue before the unit census date;

in the unit and the candidate's record is endorsed with the letter "W" denoting "Withdrawn";

(d) A candidate whose record in a unit has been endorsed with the letter "W" or the grade "F" may, if the candidate has not been terminated therefrom pursuant to Rule 10, re-enrol in such a unit in a later year provided that such enrolment is subject to the provision of Rule 4, including any limitation imposed upon the enrolment in that unit. A candidate re-enrolling shall not receive credit for any work previously performed in that unit.

**Termination of candidature**

10. (1) At the commencement of any postgraduate diploma the designated Executive Dean of Faculty shall indicate to candidates the requirements for satisfactory progress.

(2) If a candidate does not meet the requirements specified pursuant to Rule 10(1), the designated Executive Dean of Faculty shall ask the candidate to show cause why candidature should not be terminated.

(3) After considering any show-cause submission by the candidate, the designated Executive Dean of Faculty may confirm the termination of candidature or permit the candidate to re-enrol and may impose conditions upon such re-enrolment.

(4) If the candidate does not show cause, or the designated Executive Dean of Faculty confirms the termination of candidature, the Executive Dean shall report accordingly to the Registrar who shall advise the candidate of exclusion from the postgraduate diploma.

(5) A candidate excluded pursuant to Rule 10(4) may appeal to the Academic Appeals Committee. Such appeal shall be submitted in writing by the date specified by the Registrar, except that the Academic Appeals Committee may agree to consider an appeal lodged at a later date. The Academic Appeals Committee may dismiss the appeal or permit the candidate to re-enrol and may impose conditions upon such re-enrolment.

**Not to count for credit**

11. (1) A candidate may not count for credit towards any award under these Rules the credit points of a unit if the candidate has already successfully completed a unit designated by the same unit code in the Schedule of Postgraduate Units.

(2) Except with the approval of the Academic Senate, on the recommendation of the Executive Dean of the Faculty concerned, a candidate may not count for credit towards any award under these rules the credit points in respect of a unit:

(a) if the candidate has successfully completed and is counting for credit another unit designated in the Schedule of Postgraduate Units as not to count for credit with that unit; or

(b) if the candidate has been granted credit pursuant to Rule 2(8) for one or more units in a program of study at another tertiary institution, and has successfully completed in that program a unit which, in the opinion of the Executive Dean of the Faculty concerned, is a similar unit.

(3) If two or more units are designated in the Schedule of Postgraduate Units as not to count for credit with each other, a student may include no more than one of these units in a program of study.

**Deeming provision**

12. The Academic Senate may recommend the conferring of a postgraduate diploma of the University upon any person who has completed a course of studies in another tertiary institution which the Academic Senate, on the recommendation of the Deputy Vice-Chancellor (Provost), may from time to time deem to be the equivalent of a postgraduate diploma of this University.

13. The designated Executive Dean of the Faculty may declare that a candidate has completed the specified prescribed unit where other work completed by the candidate is deemed to be equivalent to the prescribed unit.

**Saving clause**

14. Notwithstanding anything to the contrary herein contained, the Academic Senate may, in any exceptional case in which it may deem it appropriate to do so, dispense with or suspend any requirements of or prescriptions by these rules. Any such action by the Academic Senate is to be reported forthwith to the Council.

(2) Unless determined otherwise by resolution of Academic Senate:

(a) a candidate's selection of an approved Program of Study and enrolment in units to complete that Program of Study will require the approval of the designated Executive Dean of Faculty, or where the Academic Senate has so determined, the Executive Dean of another Faculty;

(b) any subsequent change to a candidate's enrolment will require the approval of the designated Executive Dean of Faculty, or where the Academic Senate has so
A candidate who wishes to add an internal unit may do so only in the first two weeks of the study period. A candidate who wishes to add an external unit may do so only in the first week of the study period. No approval is required to add a unit within these time periods.

(b) in exceptional circumstances, a change is approved by the Deputy Vice-Chancellor (Provost) on behalf of the Academic Senate or the Executive Dean of the Faculty in which the unit is offered, provided that the application for a change is submitted to the Registrar not later than six weeks after the notification of examination results for the study period; or in exceptional circumstances, the Deputy Vice-Chancellor (Provost) may approve on behalf of the Academic Senate an application submitted at a later date but before the commencement of the next succeeding examination period.

### Non-compliance with unit requirements

8. (1) (Repealed)

(2) Where, notwithstanding a candidate’s failure to comply with the requirements, the candidate is not excluded, the Academic Senate may, on the recommendation of the Executive Dean of the Faculty in which the unit is provided, permit the candidate to meet the requirements for its satisfactory completion by such date as determined by the Executive Dean of Faculty. Satisfactory completion must not be later than the dates determined by the Registrar for each study period. In special circumstances, the Academic Senate, on the recommendation of the Executive Dean of Faculty, may determine a later date but before the commencement of the next succeeding regular examination period.

### Discontinuance

9. Where a candidate is permitted to change the enrolment in units of study pursuant to Rule 4(2) (b) following application in writing to the Registrar and such change includes discontinuance of a unit or units offered by the University, or where a candidate discontinues all the units enrolled:

(a) The candidate is deemed not to have been effectively enrolled in a unit if they discontinue before the unit census date; or

(c) The candidate is deemed to have failed in any unit where the candidate’s discontinuance is other than as provided in clauses a) or b) in this Rule. In such cases the candidate’s record is endorsed with the letter “F” denoting “Failed”. If a candidate claims that such discontinuance is due to unavoidable disruption, the candidate may report the circumstances in writing (supported by medical certificate or other proper evidence) to the Registrar, whereupon the Executive Dean of Faculty providing any unit which the candidate has discontinued may determine that the candidate be not recorded as having failed in the unit and the candidate’s record is endorsed with the letter “W” denoting “Withdrawn”.

(d) A candidate whose record in a unit has been endorsed with the letter “W” or the grade “F” may, if the candidate has not been terminated therefrom pursuant to Rule 9, re-enrol in such a unit in a later year provided that such enrolment is subject to the provision of Rule 4, including any limitation imposed upon the enrolment in that unit. A candidate re-enrolling shall not receive credit for any work previously performed in that unit.
Termination of candidature

10. (1) At the commencement of the postgraduate certificate the designated Executive Dean of Faculty shall indicate to candidates the requirements for satisfactory progress.

(2) If a candidate does not meet the requirements specified pursuant to Rule 10(1), the designated Executive Dean of Faculty shall ask the candidate to show cause why candidature should not be terminated.

(3) After considering any show-cause submission by the candidate, the designated Executive Dean of Faculty may confirm the termination of candidature or permit the candidate to re-enrol and may impose conditions upon such re-enrolment.

(4) If the candidate does not show cause, or the designated Executive Dean of Faculty confirms the termination of candidature, the Executive Dean shall report accordingly to the Registrar who shall advise the candidate of exclusion from the postgraduate certificate.

(5) A candidate excluded pursuant to Rule 10(4) may appeal to the Academic Appeals Committee. Such appeal shall be submitted in writing by the date specified by the Registrar, except that the Academic Appeals Committee may agree to consider an appeal lodged at a later date. The Academic Appeals Committee may dismiss the appeal or permit the candidate to re-enrol and may impose conditions upon such re-enrolment.

Not to count for credit

11. (1) A candidate may not count for credit towards any award under these Rules the credit points of a unit if the candidate has already successfully completed a unit designated by the same unit code in the Schedule of Postgraduate Units.

(2) Except with the approval of the Academic Senate, on the recommendation of the Executive Dean of the Faculty concerned, a candidate may not count for credit towards any award under these rules the credit points in respect of a unit:

(a) if the candidate has successfully completed and is counting for credit another unit designated in the Schedule of Postgraduate Units as not to count for credit with that unit; or

(b) if the candidate has been granted credit pursuant to Rule 2(8) for one or more units in a program of study at another tertiary institution, and has successfully completed in that program a unit which, in the opinion of the Executive Dean of the Faculty concerned, is a similar unit.

(3) If two or more units are designated in the Schedule of Postgraduate Units as not to count for credit with each other, a student may include no more than one of these units in a program of study.

Deeming provision

12. The Academic Senate may recommend the conferring of a postgraduate certificate of the University upon any person who has completed a course of studies in another tertiary institution which the Academic Senate, on the recommendation of the Deputy Vice-Chancellor (Provost), may from time to time deem to be the equivalent of a postgraduate certificate of this University.

13. The designated Executive Dean of the Faculty may declare that a candidate has completed the specified prescribed unit where other work completed by the candidate is deemed to be equivalent to the prescribed unit.

Saving clause

14. Notwithstanding anything to the contrary herein contained, the Academic Senate may, in any exceptional case in which it may deem it appropriate to do so, dispense with or suspend any requirements of prescriptions by these rules. Any such action by the Academic Senate is to be reported forthwith to the Council.
