* CSP – Commonwealth Supported Places

RTS – Research Training Scheme

Commonwealth supported places are available for first year in the Master of Research program. Commonwealth supported students are liable for a student contribution towards the units they study. Domestic students continuing into the second year are supported by the Commonwealth through the Research Training Scheme (RTS).

Details of student contribution rates for local students in 2016 are available on the website at [University Fees](#) once the 2016 fees are announced.

If you are a [Commonwealth supported student](#) you will be charged the 2016 student contribution amount for your 2016 unit enrolments according to the subject area of the unit. The subject area of the unit determines which **Band** is allocated to the unit - Band 1, Band 2, Band 3, or National Priority. The credit point value and student contribution band of your unit, along with your student status will determine the amount you will be charged. Examples of how to calculate your HECS contribution can be found on the [University Fees website](#).

The tuition fees for international students at Macquarie University are set on a per credit point basis, and are revised each year. This means that there is a fee for each credit point in which you are enrolled. To help you calculate your fees, Macquarie University provides you with an estimated annual fee for your course, based on you enrolling in all the required units for that course in your first year.

The University reviews the per credit point fees each year and may increase them in the following year. Information on the applicable per credit point fees and estimated yearly fees payable is available before enrolment. Students are subject to other fees, charges and conditions for each semester in which they enrol and are advised to check the current fees, charges and conditions with the University before enrolling at any time.

Student Amenities Fees (SAF)

In addition to the tuition fee schedule listed above for both domestic and international students, you will also be required to pay the Student Amenities Fees (SAF).

For more details on SAF, see
