Year 1

Research Communications Unit

Research Frontiers Unit

6 units of Advanced Disciplinary content

NOTE: Units can be selected from Education and other discipline areas such as sociology or linguistics subject to academic approval.

Example Pattern:

Educational Studies
BPhil/MRes Convenor: Dr Anne McMaugh
+61-2-9850-8663
anne.mcmagah@m.qedu.au

- MRES700 Research Communications
- FOHS700 Research Frontiers in Human Sciences: Educational Studies

Units in Educational Studies should be selected from the list below:
EDUC701 Educational Psychology and Practice
EDUC703 Curriculum Studies
EDUC706 Learning and Technology
ECED720 Families in Context
ECED724 Early Childhood Development Research and Practice
ECED731 Pedagogical Approaches to Early Childhood Curriculum
ECED732 Contemporary Approaches to Infant and Toddler Theory and Practice
ECED733 Child Development in Context
ECED745 Organisation of Early Childhood Education
ECED754 Minor Independent Investigation

You should also include at least one research methodology unit, for example:
SOCl701 Qualitative Methods: Issues and Practices
SOCl702 Social Survey Research: Issues and Practices

You may select other MRes (700) level units in other disciplines to supplement your Education studies, for example:
FOHS710 Ethical Issues in Research
EDIT700 Editing for Researchers
FOAR701 Research Paradigms
