**Prizes, Winners and Prize Conditions**

11. The Prize value is correct as at 16 October 2023 and the University accepts no responsibility for any variation in the value of the Prize. If the Prize is unavailable, the University in its discretion reserves the right to substitute the Prize with a prize of equal value, subject to the approval of relevant regulatory authorities. The Prize cannot be transferred, upgraded, exchanged or redeemed for cash.

12. The Prize excludes any costs, goods or services not expressly itemised in clause 4.b(Exclusions), including any other ancillary cost or expense. It is the Winner’s responsibility to incur and/or obtain any such Exclusions that they may require with respect to a Prize.

13. The University will conduct a draw (each a Monthly Draw) at its premises as soon as practicable following the completion of each calendar month within the Competition Period. In each Monthly Draw, one entry will be drawn at random from all Eligible Entries (but however excluding any Eligible Entrant who was a Winner in a prior Monthly Draw), such that each Eligible Entry has an equal chance of winning a Prize. The first Eligible Entrant that is drawn will be the winner (Winner) and will be awarded the Prize.

14. The University will attempt to notify the Winner by email within 7 days of the relevant Monthly Draw using the contact details provided in the Winner’s Eligible Entry. The University may request reasonable information to confirm the Winner's identity and contact information in order to receive the Prize.

It is the responsibility of the Winner to provide their correct personal information in order to receive the relevant Prize.

16. If the relevant Winner cannot be contacted within three months of notification in accordance with clause 15, is not able to satisfy these Terms and Conditions, or forfeits or fails to accept their Prize, then the Winner will be deemed to have forfeited their Prize and the University reserves the right to withdraw the Prize and randomly draw an alternative winner (the Second Chance Winner).
17. The manner in which the Second Chance Winner is selected will be carried out (and the requirements for the notification of winners and eligibility for collecting Prizes) will be substantially the same as those that apply to the original draw.

General

18. Incomplete, indecipherable or illegible entries will be deemed invalid at the University’s discretion.

19. Entrants are responsible for ensuring that their correct contact name, email address, phone number and personal details are provided with their entry and that any updated details are notified to the University. The University accepts no responsibility should an entrant fail to receive a Prize, because of a failure to notify the University of any change to these details.

20. The University’s decision in relation to any and all aspects of the Competition is final and binding on every person who enters, and no correspondence will be entered into.

21. The University reserves the right, at any time, to verify the validity of entries and entrants (including an entrant’s identity, membership status and place of residence) and to disqualify any entrant who submits an entry that is not in accordance with these Terms and Conditions or who tampers with the entry process. Errors and omissions will be accepted at the University’s discretion. Failure by the University to enforce any of its rights at any stage does not constitute a waiver of those rights.

22. If the Competition is interfered with in any way or is not capable of being conducted as reasonably anticipated due to any reason beyond the reasonable control of the University, the University reserves the right, in its sole discretion, to the fullest extent permitted by law (a) to disqualify any Eligible Entrant; or (b) to modify, suspend, terminate or cancel the Competition, as appropriate.

If the CCA, or any other legislation implies a condition, warranty or term into the Terms and Conditions or provides statutory guarantees in connection with these Terms and Conditions, in respect of goods and services supplied (if any), the University’s liability for breach of such a condition, warranty, other term or guarantee is limited (at the University's election) to the extent it is able to do so to: (1) in the case of supply of goods, the University doing any one or more of the following: (a) replacing the goods or supplying equivalent goods, (b) repairing the goods, (c) paying the cost of replacing the goods or of acquiring equivalent goods, and/or (d) paying the cost of having the goods repaired; or (2) in the case of supply of services, the University doing either or both of the following: (a) supply the services again, and/or (b) paying the cost of having the services supplied again. To the extent the University (including its respective officers, employees and agents) is unable to limit its liability as set out in the previous sentence, the University (including its respective officers, employees and agents) limits its liability to the extent such liability is lawfully able to be limited.

24. Subject to clause 24, the University (including its officers, employees and agents) excludes all liability (including negligence), for any personal injury; or any loss or damage (including loss of opportunity); whether direct, indirect, special or consequential, arising in any way out of the offer and Competition, including, but not limited to, where arising out of the following: (a) any technical difficulties or equipment malfunction (whether or not under the University’s control); (b) any theft, unauthorised access or third party interference; (c) any entry or Prize that is late, lost, altered, damaged or misdirected (whether or not after their receipt by the University) due to any reason beyond the reasonable control of the University; (d) any variation in the Prize value to that stated in these Terms and Conditions; (e) any tax liability incurred by a Winner or entrant; or (f) use of a Prize.
