

Macquarie Undergraduate Research Internship

SEEKING ACADEMIC SUPERVISORS

The Macquarie Undergraduate Research Internship enables undergraduate students from equity backgrounds to participate in 10-week paid research internships guided by academic supervisors.

MURI offers students the opportunity to develop research skills through practical application, while also building their professional networks and exploring the potential of research as a post-graduate option.

2024 Applications now open!
S2 Weeks 4-12
(12th August - 25th October)

MURI INTERNS:

- Engage in 50 hours of academic research over 10 weeks.
- Participate in research skills workshops
- Present their research at the MURI Poster Presentation event.
- Receive a stipend to support their participation in the program.

[APPLY HERE](#)

Deadline:
24th May, 2024

MURI ACADEMIC SUPERVISORS:

- Provide a research project with the capacity for 50 hours of student intern participation (projects can be new or existing)
- Meet regularly (in-person or online) with interns, providing mentorship in their research experience
- Are invited to attend the final MURI Poster Presentation

"The MURI program was a great opportunity to mentor young, enthusiastic interns and provide them a learning experience in academic research."

- MURI Academic Supervisor
