

MQ Photonics Research Centre Webinars

TITLE: IP /RESEARCH IMPACT

Abstract:

While on your research journey there are many things to consider from the beginning of the process.

In this presentation Anna will run through some of the key considerations, including:

***Intellectual Property**

- What is it and why is it important?
- Types of Intellectual Property
- Who owns your Intellectual Property
- Protecting your work

***Collaborating with Industry**

- key things to consider

***Research Impact**

- Impact Canvas
- Case studies
