HOW SCORES ARE CALCULATED

GLOBAL

GCE A-Levels

Scores for the UK and international versions of the General Certificate of Education Advanced Level Examinations (GCE A-Levels) are calculated based on the aggregate of the three best A-level subjects using the following conversions: A* = 6, A = 5, B = 4, C = 3, D = 2, E = 1. At least two subjects must have been taken in the same academic year, and the third may be from the preceding or following academic year.

Both UK and international versions of A-levels are calculated using this table, including those administered by Cambridge International Examinations (CIE), Pearson Education International (Edexcel), and Oxford International AQA Examinations. A-Levels for Singapore and Sri Lanka are assessed using different tables.

IB

Scores for the International Baccalaureate (IB) are calculated based on the final aggregate result for 6 subjects, including any bonus points from Theory of Knowledge subject and Extended Essay. This must include one subject from each of Groups 1-5 (Language & Literature; Language Acquisition; Individuals and Societies; Sciences; and Mathematics), and a sixth subject from either Group 6 (Arts) or a second selection from Groups 1-5. A minimum of 3 subjects must be completed at Higher Level (HL), with the remainder at Standard Level (SL).

AUSTRALIA

HSC

Scores for the Australian High School Certificate (HSC) from New South Wales (or equivalent qualifications from other state boards) are based on the Australian Tertiary Admissions Rank (ATAR).

Australian Foundation

Scores for Australian foundation programs recognised by Macquarie University are calculated based on the overall final result out of 10.0 or by converting percentage marks to a 10-point scale. For entry to some degree programs, students may need to have successfully completed suitable Mathematics or other specified subjects as part of their foundation program.

Accepted foundation programs include:

- Macquarie University Foundation or Intensive Program*
- ANU College Foundation Studies Program
- Monash College Foundation Year
- University of Adelaide College Foundation Studies
- University of Melbourne - Trinity College Foundation Studies
- University of Queensland - IES College Foundation Year
- University of Sydney - Taylors College Foundation Program
- University of Western Australia - Taylors College Perth Foundation Program
- UNSW Global Foundation Program (Standard and Transition)
- Western Australian Universities' (TISC) Foundation Program
- UTS:INSEARCH Foundation Studies Program

CAMBODIA

Cambodian Upper Secondary Diploma

Scores for the Upper Secondary Diploma are based on the overall average.

CANADA

AHSD

Scores for the Canadian Alberta High School Diploma (AHSD) are calculated as an average of the final official mark for the best 4 examined Level 30 subjects including English Language Arts 30.

BCCG

Scores for the Canadian British Columbia Certificate of Graduation (BCCG) are calculated as an average of final marks of the four best Grade 12 Ministry-developed subjects including English 12.

OSSD

Scores for the Canadian Ontario Secondary School Diploma (OSSD) are calculated as an average of the six best Grade 12 subjects including English - ENG4U. Subjects must be designated with a U (university preparation), M (university/college preparation), or Z (university-delivered dual credit).

CHINA

Chinese Senior Secondary School (selected schools)

For Intensive Program entry from selected schools, scores are based on the average of the Senior High School Year 2 (高二), provision of satisfactory Huikao / HSAPT results, and subject to successful completion of Year 3 (高三), Semester 1.

For Diploma entry from selected schools, scores are calculated based on the average of the Senior High School Year 2 (高二), provision of satisfactory Huikao / HSAPT results, and subject to successful completion of Year 3 (高三), Semester 1 and award of the senior high school graduation certificate.

Chinese Senior Secondary School (other schools)

For Standard Foundation, entry is calculated based on the average of all academic subjects in Senior High School Year 2 (高二) or evidence of completion of Year 3 (高三).

For Intensive Program and Diploma entry, scores are calculated based on the average of all academic subjects in Senior High School Year 3 (高三).

DENMARK

Danish USSE

Scores for the Danish Upper Secondary School Examination Certificate (USSE) are based on the final examination result of the Studentereksamen (STX) or Højere Forberedelseseksamen (HF).

EUROPE

European Baccalaureate

Scores for the European Baccalaureate (EB) are based on the Overall Grade for all subjects reported on the final official result certificate.

FIJI

Fijian Year 13 Certificate

Scores for the Fijian Year 13 Certificate are based on the aggregate scores for the 4 best subjects including English. Subject grades are converted as A=80, B=65, C=50 or 1-2=80, 3-4=65, 5-6=50.

FINLAND

Finnish Matriculation Examination Certificate

Scores for the Finnish Matriculation Examination Certificate are calculated based on the average score of the 4 best subjects using the following conversions: laudatur = 7, eximia cum laude approbatur = 6, magna cum laude approbatur = 5, cum laude approbatur = 4, lubenter approbatur = 3, approbatur = 2, improbatur (fail) = 0.

FRANCE & OTHER

French Baccalaureate

Scores are calculated based on the overall grade in the Diplôme du Baccalauréat Général (French Baccalaureate).

GERMANY

Abitur / Fachhochschulreife

Scores are calculated based on the overall grade average (Durchschnittsnote) of the Abitur or Fachhochschulreife.

GREECE

Vevaiosi Prosvasis

Scores for the Greek Vevaiosi Prosvasis (Certificate of Access) examinations are based on the General Admission Grade (out of 20) for all subjects.

HONG KONG

HKDSE

Scores for the Hong Kong Diploma of Secondary Education (HKDSE) are calculated based on the aggregate of the five best Category A and C subjects - Category B subjects are not considered.

Category A (Senior Secondary) subjects include the 4 compulsory core subjects (Chinese, English, Liberal Studies, and Mathematics) and a choice of elective subjects. Category B subjects are Applied Learning electives, and Category C subjects are for Other Languages (French, German, Japanese, Spanish, Hindi, and Urdu).

Points for all subjects are calculated using the following score conversions: 5**/5* = 6, 5 = 5, 4 = 4, 3 = 3, 2 = 2, 1 = 1.

HUNGARY

Hungarian Matriculation Certificate

Scores for the Hungarian Matriculation Certificate (Gimnaziumi Erretsegi Bizonyitvany) are calculated based on the overall average grade on the examination results using the following conversions: Excellent/Very Good (Jeles) = 5, Good (Jo) = 4, Fair/Average (Kozepes) = 3, Satisfactory/Pass (Elegseges) = 2, Fail (Elegtelen) = 1.

INDIA

AISSC

Scores for the All India Senior School Certificate (AISSC) awarded by the Central Board of Secondary Education (CBSE) are calculated based on the average marks of the best four externally examined academic subjects.

HSSC

Scores for the Indian Higher Secondary School Certificate (HSSC) from state boards are calculated based on the average marks for all subjects.

ISC

Scores for the Indian School Certificate (ISC) awarded by the Council for Indian School Certificate Examinations (CISCE) are calculated based on the average marks for English and the three best academic elective subjects.

INDONESIA

SMA

Scores for the Ijazah Sekolah Menengah Atas (SMA) are calculated based on the average of the final marks (out of 100) of all Grade 12 subjects. Assessment for Bachelor entry applies to selected schools only.
