

Thank you for your support

As the year draws to a close, we would like to congratulate all our staff and students for their extraordinary efforts in an extraordinary year. To all our colleagues, research and funding partners in Australia and around the world, we thank you for your continued support and collaboration. Looking forward to 2023, with you.

With warm regards from the Directors of the Australian Institute of Health Innovation

The Australian Institute of Health Innovation (AIHI) at Macquarie University conducts world-class research with national and international research communities, governments, policymakers, providers of health services, managers, clinicians, patients and the community. Our work underpins health reforms and systems improvement, providing new tools, perspectives and evidence to help stakeholders who are interested in making the health system more effective, efficient and productive. Our overarching aim is to produce new, high quality research evidence to support change, prevention and improvement.
