Directions to the Faculty of Medicine & Health Sciences Simulation Lab

Venue
Faculty of Medicine & Health Sciences, Simulation Laboratory, Ground Floor B.F10A, 2 Technology Place, opposite the Macquarie University Hospital.

Public Transport
The simulation laboratory is within walking distance of Macquarie University station. Trains run regularly from the city via North Sydney and Chatswood, throughout the day using the North Shore, Northern and Western Line (T1 & T9), you will need to take the Metro from Epping or Chatswood station – alighting at the MQ University stop.

Parking
The parking for the course can be found in the underground MQ University Hospital carpark, circled below. Take a parking ticket from the machine on arrival and this will be validated at the end of the day.
You can go from the carpark to ground level of the hospital, walk across the road and the entrance to the Faculty of Medicine, Health & Human Sciences, Simulation Laboratory is directly in front of you, up the stairs, it is a 1-2 minute walk from the underground carpark.
