Our Actuarial Studies Co-op Program is a highly competitive honours degree in which you’ll alternate between classroom studies and workplace experience in the form of three placements of three to six months each. You’ll develop professional skills and networks across different workplace settings and apply skills you learn in the classroom to practical contexts. You’ll also receive a scholarship for the duration of your degree.

**SCHOLARSHIP VALUE**
From 2020, Co-op students receive $19,600 per year for the duration of the four-year degree. Scholarship amounts are reviewed according to market conditions.

**ELIGIBILITY**
You are eligible for the program if you:
- are completing or have completed your HSC (or equivalent)
- are studying or have studied HSC Mathematics Extension 2 (or equivalent)
- show genuine interest and motivation to enter the actuarial profession
- are active in school and/or community activities
- can demonstrate exceptional communication, teamwork, problem solving, innovation, service and leadership skills
- are an Australian citizen or a permanent resident, a New Zealand citizen or a humanitarian visa holder
- have or will have achieved a minimum selection rank (or equivalent) of 98.00. You are strongly encouraged to apply if you are expecting 97.00 or above.

Only Educational Access Scheme adjustment factors are considered for this degree.

**HOW TO APPLY**
Visit [mq.edu.au/coop](http://mq.edu.au/coop) to apply. You must also apply to the Universities Admissions Centre (UAC).

As part of the application process, you’ll be required to submit a one-page résumé and answer three questions. If you’re completing your HSC (or equivalent), your school will be required to provide an academic reference and your Trial HSC results (or equivalent). Applications close at 5pm on **25 September 2020**.

If your application is short listed, you’ll be contacted in early November 2020 to schedule an interview. Interviews will be held in late November 2020.

If you’re successful at interview, you’ll receive a conditional offer for the Bachelor of Actuarial Studies with Professional Practice (Honours), pending your final results.
