### Workforce

- Up to one-third of fully vaccinated employees and key contractors can begin returning as prioritised by their Executive Group member.
- Visitors will not be able to attend campus.
- Under the prevailing PHO unvaccinated individuals will not be able to attend campus.
- Work from home continues if practicable. Managers and supervisors in each Executive portfolio will work with staff to determine on campus staffing arrangements if work from home is not practicable or staff members wish to attend campus.

### Research

- Fully vaccinated researchers and research students recommence on campus lab based, studio based, office based and research in animal facilities with prioritisation by Deputy Deans Research/Associate Deans Research.
- Off campus field work for fully vaccinated researchers within Greater Sydney (or within a researcher’s local government area if regional) to recommence. Planning and approvals being managed within faculties.
- Fully vaccinated researchers and research students recommence human participant research on campus prioritisation by Deputy Deans Research/Associate Deans Research.
- Off campus field work for fully vaccinated researchers across Greater Sydney and regions to recommence. Planning and approvals being managed within Faculties.
- Off campus research, recommencement will depend on any COVIDSafe rules of our partner organisations such as schools, aged care facilities, museums and other locations.

### Library

- Click-and-collect continues.
- Level 3 & 5 for fully vaccinated staff and students.
- All Levels of Library for fully vaccinated staff and students (from 1 November).
- All levels of Library.

### Retail & Food and Beverage

- Some Central Courtyard and Lincoln outlets.
- Ubar.
- Esc Cafe (4 Research Park Drive).
- Wally’s Coffee Cart.
- As per stage 1.
- As per stage 1.
