

# Enterprise Partnership Scheme

## Enterprise Partnership Scheme

*The Enterprise Partnership Scheme has two distinct components. Intending applicants should familiarise themselves with the*

*scheme funding guidelines which are available, along with the additional helpful information and resources, from this webpage.*

### **Partnership Seed Funding**

To fund travel to secure a new partner(s) for a collaborative research project.

### **Pilot Project Grant**

For a 1 year pilot research project with a new research partner.

### **Submission & Review Process:**

To commence the application, please enter your scheme & project title below and click "Start Application".

Once you have completed all of the sections and mandatory questions, please click on the "Save and Submit" button. This will submit the application to your Research Partnership Manager, who will let you know if anything additional is required. If complete, the Research Partnership Manager will finalise your application, which will then automatically generate a Pure recording containing your final application which will go for Head of Department and Faculty formal approvals. When complete, your application will proceed for assessment and you will be notified once an outcome is available.

### Enterprise Partnership Scheme

**State**

**Application delegate**

Allows the delegate access to edit and submit application on your behalf.  
To search by surname, put an asterisk (\*) before your search.

**\* Proposed Project Title**

Insert a short descriptive title (20 words maximum)

**Lead Researcher**

To search by surname, put an asterisk (\*) before your search.

**\* Nominated Faculty**

**Research Centre**

**Nominated Department**

**MQ Project Leader (CI1)**

In addition to the information below, attach at the end of the application a one-page CV for each applicant.  
To search by surname, put an asterisk (\*) before your search.

**Other Investigator 1**

To search by surname, put an asterisk (\*) before your search.

**Other Investigator 3**

To search by surname, put an asterisk (\*) before your search.

**Other Investigator 5**

To search by surname, put an asterisk (\*) before your search.

**Other Investigator 2**

To search by surname, put an asterisk (\*) before your search.

**Other Investigator 4**

To search by surname, put an asterisk (\*) before your search.

**External Investigators (if any)**

Please provide external investigator details (if any)

**\*** Is this a new research relationship between you and this/these partner(s)?

-- None --

**Partner Organisation**

New

- Click on 'NEW' button to add a new Partner Organisations.
- Click on list item if you wish to update or delete existing Partner Organisations.

 **Partner Organisation**

No records in Partner Organisation using that filter

Required information **Project Summary** **What is the proposed commencement date?****What is the proposed project completion date?****Does the proposed research require ethics and/or biosafety approval?****Will any research (including MRes) students work on the project?****Has this or any related proposal been submitted to any other agency?****Chief Investigator's probable teaching load during the 1st semester?****Chief Investigator's probable teaching load during the 2nd semester?**

## Enterprise Partnership Scheme

**\* Project Summary**

In plain English, summarise the aims, the significance and the expected outcomes of the proposed project (100 words maximum)

**\* What is the proposed commencement date?**

**\* What is the proposed project completion date?**

**\* Does the proposed research require ethics and/or biosafety approval?**

**\* Will any research (including MRes) students work on the project?**

If yes, give details.

NB: PhD students cannot be directly funded by funds from this scheme.

**\* Has this or any related proposal been submitted to any other agency?**

**\* Chief Investigator's probable teaching load during the 1st semester?**

Enterprise Partnership Scheme - Research Services

Please express as an full time equivalent (FTE) figure - e.g. 1 day per week = 0.2FTE)

**\* Chief Investigator's probable teaching load during the 2nd semester?**

Please express as an full time equivalent (FTE) figure - e.g. 1 day per week = 0.2FTE)

Attach the following documents as PDF files by clicking on the paperclip symbol at the top right of this screen:

- Project Outline, Benefits, Collaboration and Research Outputs
- A Partner Letter of Support for each partner

**Project Outline, Benefits, Collaboration and Research Outputs:**

It is recommended you use the template available from the "Resources" section of **"MQ Enterprise Partnership Scheme"**.

Address the following 3 sections:

Section 1. Project outline (2 pages maximum).

Address the following: i) Project aims, ii) Research plan, iii) Methods and techniques, and iv) Expected outcomes.

Include a Gantt chart (or similar) with the critical path, major milestones and deliverable clearly identified.

Section 2. Strategic benefits and collaborative nature of project (2 pages maximum)

Explain how the current project aligns with the strategic plans of the partner(s) and how it will address problems or issues they are facing. What is the significance and impact (to the partner/sector/economy)? Similarly, explain how the proposed project enhances the investigators' and Macquarie's strategic research aims and priorities. Describe the nature of the collaboration associated with the proposal. Provide details of the history of the collaboration with the partner(s), where appropriate, and a summary of Intellectual Property arrangements. Most importantly, explain how the proposal is likely to further collaboration between the partner(s) and the University. How will these future collaborations be funded?

Section 3. List of research outputs, including publications and patent applications (from the past 3 years), specifically for the Project Leader and other MQ investigators. Asterisk (\*) those relevant to this proposal.

**Partner Letter of Support:**

It is recommended you use the template available from the "Resources" section of **"MQ Enterprise Partnership Scheme"**.

The letter for each partner must:

- Confirm the cash contribution (this must at least match dollar-for-dollar the amount requested from the University under the scheme – applications where the partner contribution is greater than the sum requested from the University are viewed favourably).
- Include a statement to the effect that the partner has read and acknowledges the EPS Funding Rules and the purpose of the scheme.

- Indicate the partner's intention to contribute to the next research phase of this program of research beyond the completion of this EPS.
- Must be on the partner letterhead and signed by an authorised delegate.
