Vacation Care
Children’s Image Permission Form

Name of child:

Children’s Images

The use of photographs, videos and other mediums is an important part of the Vacation care program. Images of the children are used to enhance and support observations and planning. These images can be of groups of children, used in displays throughout the Centre.

Images are stored securely and are only shared with others as per your consent below.

You give permission for your child’s image to be used (please circle):

To document projects and experiences and in displays within the centre

For other documentation, eg the Quality Improvement Plan, which may or may not be in a digital form (shared with the Department of Education for Assessment purposes)

For Children’s Services fundraising and marketing purposes (including the centre website and in centre publications such as the Family Handbook)

In internal publications (such as the centre newsletter)

You give permission for your child’s image to be used (please circle):

Yes  No

Yes  No

Yes  No

Yes  No

Macquarie University reproduces images of students, staff and others to promote the University in its publications, on websites and in marketing material.

The University may need to take, use and reproduce photos or videos of the child named below (the model) for this purpose and is seeking your parental consent.

The University undertakes not to use the images in any way that would misrepresent the intent of the child’s participation.

Images of your child may be considered personal information under privacy legislation. Information relating to the University’s collection, use, storage and disclosure of personal information can be found at mq.edu.au/about_us/how_mq_works/privacy. If you have any queries or concerns about the management of your child’s personal information, please contact the Privacy Officer (privacyofficer@mq.edu.au).

As parent or guardian, I consent to Macquarie University:

(a) taking or having taken photographs, digital images and audio and video footage or creating a likeness (the images) of the model;

(b) storing, making copies and publishing the images in any form, in whole or part; and

(c) distributing the images in any medium including print media, the internet, digital and online media and video.

I understand that neither I nor the model will be paid for giving this consent and I waive any claim that I or the model may have for remuneration, royalties or any other payment in respect of the use of the images.

I agree that all rights to the images belong to Macquarie University. I agree that this consent is irrevocable, worldwide and perpetual, and will be governed by the laws of the state of New South Wales, Australia

Yes  No

You understand that any other use of your child’s image will require a specific permission form to be completed by you and this will be provided by the centre prior to the use of the image.
