(YOU)^us

When your potential is multiplied by a university built for collaboration, anything can be achieved. 

That’s YOU to the power of us
It’s our mission at Macquarie to prepare you for the future – whatever it may look like for you. Experts predict that about 50 per cent of jobs, as we know them today, won’t exist by 2025. That’s why it’s vital you have a skill set when you graduate that allows you to reinvent yourself in any industry.

So we’ll encourage and support you to develop your practical know-how alongside your technical skills, grab opportunities to experience new things here in Australia and across the globe, get as much hands-on experience as you can, and network with our industry and community partners.

That’s **YOU to the power of us**
MORE THAN 150 PARTNER UNIVERSITIES
for student exchange in more than 45 countries

MORE THAN 40,000 WORK PLACEMENTS
or community experiences through our PACE (Professional and Community Engagement) partnerships

MORE THAN 4000 PARTNER ORGANISATIONS
across Australia and around the world, providing access to industry contacts that help develop valuable employability skills

$1 BILLION INVESTED TO CREATE A COLLABORATIVE CAMPUS
with world-class facilities and infrastructure

MORE THAN 44,000 CONNECTED STUDENTS
from more than 118 countries

3 SUBJECTS ranked in the top 50 globally and 7 in the top 100
(QS World University Rankings by Subject, 2020)

HEART OF SYDNEY’S FASTEST-GROWING BUSINESS REGION
only 15 kilometres from the Sydney CBD

ONLY UNIVERSITY IN AUSTRALIA with its own metro station

OUR CAMPUS is set on 126 hectares of stunning parkland

RANKED AMONG THE TOP 1 PER CENT of universities in the world
(QS World University Rankings, 2021)

RANKED #1 IN AUSTRALIA for graduate employment rate
(QS Graduate Employability Rankings, 2020)

50+ SINGLE BACHELOR DEGREES many of which are designed in collaboration with industry

- B Arts and B Education (Primary) majoring in Early Childhood Teaching
- B Arts and B Education (Primary)
- B Education (Primary) and B Psychology
- B Arts and B Education (Secondary)
- B Commerce and B Education (Secondary)
- B Science and B Education (Secondary)

### ENGINEERING
- B Engineering (Honours) in Civil Engineering
- B Engineering (Honours) in Electrical and Electronic Engineering
- B Engineering (Honours) in Mechanical Engineering
- B Engineering (Honours) in Mechatronic Engineering
- B Engineering (Honours) in Software Engineering

### INFORMATION TECHNOLOGIES
- B Cyber Security
- B Game Design and Development
- B Information Technology

### LANGUAGES AND LINGUISTICS
- B International Studies
- B Linguistics and Language Sciences
- B Arts

## You could be
- Archaeologist
- Arts manager
- Cultural adviser
- International business manager
- Museum curator
- Policy analyst
- Social researcher
- Translator or interpreter
- Urban planner
- Accountant
- Actuarial analyst
- Data analyst
- Economist
- Entrepreneur
- Financial analyst
- Human resources representative or recruiter
- Marketing specialist
- Early childhood teacher
- Educational researcher
- Primary or secondary teacher
- Special education teacher
- Teacher of English to speakers of other languages
- Engineer
- Entrepreneur
- Product manager or developer
- Project manager
- Systems engineer
- Cloud architect
- Cybersecurity manager
- Data scientist
- Games designer
- Software designer
- User-experience designer
- Web developer
- Content editor
- Digital copywriter
- Forensic linguist
- Linguist
- Social researcher
- Teacher of English to speakers of other languages
- Translator or interpreter
Undertake one of our single bachelor degrees or double bachelor degrees.

- Community and family studies
- English
- History

- Federal, state or territory police officer
- Intelligence officer
- Risk analyst
- Security analyst
Early entry programs

MACQUARIE LEADERS AND ACHIEVERS EARLY ENTRY SCHEME
This early entry scheme considers your Year 11 academic performance alongside your extracurricular, work and community engagement to assess your eligibility for an early offer into a Macquarie degree.

mq.edu.au/leaders-and-achievers

SCHOOLS RECOMMENDATION SCHEME
The Schools Recommendation Scheme (SRS) allows your school to recommend you for an early university offer. We’ll look at your Year 11 academic achievements as well as your school’s rating of your aptitude and learning ability. If you’re ready to join us, we’ll make you an early offer.

mq.edu.au/srs

GIFTED AND TALENTED ENTRY PROGRAM
If you’re a high-achieving student, you can participate in the Gifted and Talented Entry Program, which allows you to enrol at Macquarie while you’re still at high school. If you successfully complete your unit/s with the necessary marks, you could receive an early offer into one of several degrees.

mq.edu.au/gifted-and-talented

Entry programs

ACADEMIC ENTRY PROGRAM
Our Academic Entry Program matches your strengths to our world-class degrees. Rather than considering only your selection rank, we review your results for the HSC subjects that correspond to select Macquarie degrees and make an offer based on your performance in these subjects.

mq.edu.au/academic-entry

GUARANTEED ENTRY
If you achieve a degree’s published selection rank (ATAR + adjustment factors), you’re guaranteed to receive an offer to study that degree at Macquarie, as long as you’ve listed it as your highest eligible preference with UAC.

mq.edu.au/guaranteed-entry

Pathway programs

BACHELOR PATHWAYS
If you’ve completed a Year 11 or Year 12 equivalent, or you’ve completed the HSC, interstate Year 12 examination or the International Baccalaureate (IB) and you haven’t met the entry requirements for a bachelor degree, our pathway programs will provide you with the academic support you’ll need to reach university-level study. When you successfully complete your program and meet the entry requirements, you’ll seamlessly transition into the first or second year of your chosen bachelor degree.

mq.edu.au/college

ABORIGINAL AND TORRES STRAIT ISLANDER ENTRY PATHWAY
This admissions pathway provides opportunities for Aboriginal and/or Torres Strait Islander students to study undergraduate degrees at Macquarie.

mq.edu.au/walanga-muru-pathway

Tailor made for you
MACQUARIE ENTRY

## ATAR
The Australian Tertiary Admission Rank (ATAR) is a number between 30.00 and 99.95 that indicates your rank relative to all students you started high school with.

## SELECTION RANK
The selection rank considers your ATAR or equivalent rank plus any adjustment factors you’re eligible for. You can combine our seven adjustment factor schemes to receive additional points for most of our degrees.

## ADJUSTMENT FACTORS
Adjustment factors (previously bonus points) are additional points that may be used in combination with your ATAR to derive your selection rank. Adjustments do not change your ATAR, only your selection rank.

## GUARANTEED ENTRY
If you achieve a degree’s published selection rank (ATAR + adjustment factors), you’re guaranteed to receive an offer to study that degree at Macquarie, as long as you’ve listed it as your highest eligible preference with UAC.

## SINGLE BACHELOR DEGREE
This degree typically involves three or four years of full-time study in one specific area. While you’ll have the flexibility to study units from a range of different areas, your degree ultimately focuses on one main area of study.

## DOUBLE BACHELOR DEGREE
A double bachelor degree involves studying two complementary or completely different degrees. A double degree increases your career flexibility and can be completed faster than two single degrees.

## MAJOR
A major is an area of study that you focus on within degrees such as the Bachelor of Arts and the Bachelor of Commerce. You may be able to combine two different areas with a double major.

## UNIT
Units are what we call subjects. Most full-time students take four units – each worth a fixed number of credit points – each session. Each unit usually requires about nine hours of study each week.

## UNDERGRADUATE
An undergraduate student is one who is studying their first degree – known as a bachelor degree. Once you’ve been awarded your bachelor degree, you become a graduate.

## SESSION
A session is just like a school term. We have two main sessions: Session 1 (February – June) and Session 2 (August – November).

## LECTURE
Lectures are where you’ll learn most of your degree content. Their length varies from unit to unit, but most run for one or two hours. Some take place in large theatres, while others are in smaller rooms.

## TUTORIAL
Tutorials, or ‘tutes’, generally include 20 or 30 students and are an opportunity to ask your tutor questions and talk about the degree material with fellow students.

## CREDIT POINT
To graduate, you need to have completed the specified number of credit points for your degree. Each credit point equals about three hours of work per week, including class.

## PREREQUISITE
A prerequisite is a school subject – such as HSC Mathematics – that must be completed, or a requirement that must be satisfied, before you can enrol in a particular unit.

## ASSUMED KNOWLEDGE
Some units assume that you have certain knowledge and skills from previous study, such as the HSC. Introductory units and bridging courses are available if you don’t have the assumed knowledge.

## UAC
The Universities Admissions Centre (UAC) receives and processes most applications for admission into university in New South Wales and the Australian Capital Territory.
OPEN DAY

14 AUGUST 2021
