HOW TO APPLY 13
ASK US ANYTHING 14
At Macquarie, we have discovered the human equation for success. By knocking down the walls between departments, and uniting the powerhouses of research and industry, human collaboration can flourish. This is the exponential power of our collective, where potential is multiplied by a campus and curriculum designed to foster collaboration for the benefit of everyone. Because we believe when we all work together, we multiply our ability to achieve remarkable things.

That’s **YOU** to the power of **us**
The exponential power of our collective

with sought-after degrees
COURSES MADE BY
YOU
us

EXTRAORDINARY CURRICULUM
Courses made by YOU to the power of us. It’s our unique approach to learning inspired by the world of ever-increasing change. More flexible and better aligned to your needs, our curriculum will deliver a richer experience that will enable you to gain broader or more specialised knowledge in the areas that interest you and empower you to pursue the careers of tomorrow.

TWO CHOICES ARE BETTER THAN ONE
You have the choice of undertaking one of more than 40 single bachelor degrees or one of our countless double bachelor degrees. With so many degrees and combinations to choose from, we're confident that you'll find a degree that excites and inspires you, and sets you up for an amazing future.

DEGREES CO-DESIGNED BY INDUSTRY
The job market is evolving more rapidly than at any other time in recent history. So that our degrees equip you with the knowledge and skills that employers are looking for now and into the future, we design many of them in consultation with industry. Co-designed degrees offer a curriculum that is shaped by the latest industry trends and can be adjusted to respond to the needs of industry in real time. Having industry heavyweights involved in creating the fundamentals of your degree provides you with opportunities to contextualise your learning, gain the latest career and industry insights, and acquire the tools to address real-world problems.

That's the potential of courses made by (YOU)².

SINGLE BACHELOR DEGREES
Single bachelor degrees typically involve three or four years of full-time study in one specific area. While you'll have the flexibility to study units from a range of different areas, your degree ultimately focuses on one main area of study. We offer more than 40 single bachelor degrees, many of which are designed in consultation with industry.

DOUBLE BACHELOR DEGREES
Double bachelor degrees allow you to undertake two degrees at the same time. They're an excellent choice if you have two distinct passions or career aspirations that combine two different fields. At Macquarie, we allow you to personalise your double degree by choosing the combination you consider will best kickstart your career.* If you can't find a double degree you're interested in studying from our list of popular combinations, you can apply for what's known as the Bachelor of Combined Studies (UAC Code: 302000). When you select this degree via UAC, you'll be asked to choose your two degrees. At the completion of your studies, you'll graduate with both degrees.

COMBINED BACHELOR + MASTER DEGREES
If you're interested in studying a security, intelligence and criminology degree, you have the opportunity to undertake a combined bachelor + master degree. These degrees provide you with a specialised depth of knowledge and can be completed in as little as four years.

* Some double degree exclusions apply.
## Macquarie speak

### LEARN THE LINGO

#### ATAR
The Australian Tertiary Admission Rank (ATAR) is a number between 00.00 and 99.95 that indicates your rank relative to all students in your age group (ie students aged 16 to 26 years), not your Year 12 group. The average ATAR is usually around 70.00.

#### SELECTION RANK
The selection rank considers your ATAR or equivalent rank plus any adjustment factors you’re eligible for. You can combine our adjustment factor schemes to receive additional points for most of our degrees.

#### ADJUSTMENT FACTORS
Adjustment factors are additional points that may be used in combination with your ATAR to derive your selection rank. Adjustments don’t change your ATAR, only your selection rank.

#### UAC
The Universities Admissions Centre (UAC) receives and processes most applications for admission into university in New South Wales and the Australian Capital Territory.

#### UNDERGRADUATE
An undergraduate student is one who is studying their first degree – known as a bachelor degree. Once you’ve been awarded your bachelor degree, you become a graduate.

#### SINGLE BACHELOR DEGREE
This degree typically involves three or four years of full-time study in one specific area. While you’ll have the flexibility to study units from a range of different areas, your degree ultimately focuses on one main area of study.

#### DOUBLE BACHELOR DEGREE
A double bachelor degree involves studying two complementary or completely different degrees. A double degree increases your career flexibility and can be completed faster than two single degrees.

#### MAJOR
A major is an area of study that you focus on within degrees, such as the Bachelor of Arts, the Bachelor of Commerce and the Bachelor of Science. You may be able to combine two different areas with a double major.

#### UNIT
A unit is what we call a subject. Most full-time students take four units – each worth a fixed number of credit points – each session. Each unit usually requires about 12 hours of study each week.

#### ELECTIVE
An elective forms part of a degree’s flexible zone. Electives can be undertaken from within or outside your area of study, allowing you to personalise your degree by following your passions.

#### SESSION
A session is just like a school term. We have two main sessions: Session 1 (February – June) and Session 2 (August – November).

#### LECTURE
A lecture is where you’ll learn most of your degree content. Lecture length varies from unit to unit, but most run for one or two hours. Some take place in large theatres, while others are in smaller rooms.

#### TUTORIAL
A tutorial, or ‘tute’, generally includes 20–30 students and is an opportunity to ask your tutor questions and talk about the degree material with other students.

#### CREDIT POINT
To graduate, you need to have completed the specified number of credit points for your degree. For many degrees, this is 240 credit points; however, some require the completion of a higher number of credit points.

#### PREREQUISITE
A prerequisite is a school subject – such as HSC Mathematics – that must be completed, or a requirement that must be satisfied, before you can enrol in a particular unit.

#### GUARANTEED ENTRY
If you achieve a degree’s published selection rank (ATAR + adjustment factors), you’re guaranteed to receive an offer to study that degree at Macquarie, as long as you’ve listed it as your highest eligible preference with UAC.

#### EARLY ENTRY
Macquarie offers four early entry schemes through which you can receive an early offer to a degree based on your Year 11 results. As long as you meet certain criteria – and you finish Year 12 – you’ll receive an offer before you sit your final exams.

#### PREREQUISITE
Some units assume that you have certain knowledge and skills from previous study, such as the HSC. Introductory units and bridging courses are available if you don’t have the assumed knowledge.
Tailor made for you

ENTRY PATHWAYS

UNIQUE ENTRY FOR A UNIQUE YOU
At Macquarie, we’re all about success. We recognise that your ATAR doesn’t necessarily reflect your achievements or potential, so through our range of entry pathways, we look at a variety of criteria. This includes your academic results in relevant HSC subjects, your involvement with your local community, your previous study or work experience – and everything in between. Whatever your personal circumstances, we believe in giving credit where credit’s due, so we take everything into account.

FIND YOUR PATHWAY
Our entry pathways treat you as an individual and recognise all the things that make you unique. To best help you follow your passion at Macquarie, we’ve created a simple entry pathways tool that allows you to compare all of our entry pathways to work out which ones suit you the best.

mq.edu.au/study/admissions-and-entry/pathways

Early entry schemes

MACQUARIE LEADERS AND ACHIEVERS
EARLY ENTRY SCHEME
The Macquarie Leaders and Achievers Early Entry Scheme considers your Year 11 academic performance alongside your extracurricular activities, casual work experience and community involvement to assess your eligibility for an early offer into a Macquarie degree.

mq.edu.au/leaders-and-achievers

SCHOOLS RECOMMENDATION SCHEME
The Schools Recommendation Scheme (SRS) allows your school to recommend you for an early university offer. We’ll look at your Year 11 academic achievements as well as your school’s rating of your aptitude and learning ability. If you meet the criteria, we’ll make you an early offer.

mq.edu.au/srs

GIFTED AND TALENTED ENTRY PROGRAM
If you’re a high-achieving student, you can participate in the Gifted and Talented Entry Program, which allows you to enrol at Macquarie while you’re still at high school. If you successfully complete your unit/s with the necessary marks, you could receive an early offer into a Macquarie degree.

mq.edu.au/gifted-and-talented

ABORIGINAL AND TORRES STRAIT ISLANDER
ENTRY PATHWAY
This admissions pathway provides opportunities for Aboriginal and/or Torres Strait Islander students to study undergraduate degrees at Macquarie.

mq.edu.au/walanga-muru-pathway

Entry programs

ACADEMIC ENTRY PROGRAM
Our Academic Entry Program matches your strengths to our world-class degrees. Rather than considering only your selection rank, we review your results for the HSC subjects that correspond to select Macquarie degrees and make an offer based on your performance in these subjects.

mq.edu.au/academic-entry

GUARANTEED ENTRY
If you achieve a degree's published selection rank (ATAR + adjustment factors), you’re guaranteed to receive an offer to study that degree at Macquarie, as long as you’ve listed it as your highest eligible preference with UAC.

mq.edu.au/guaranteed-entry

College courses

MACQUARIE UNIVERSITY COLLEGE
If you’ve completed a Year 11 or Year 12 equivalent – or you’ve completed the HSC, interstate Year 12 examination or the International Baccalaureate (IB) – and you haven’t met the entry requirements for a bachelor degree, our pathway courses will provide you with the academic support you’ll need to reach university-level study. When you successfully complete your course and meet the entry requirements, you’ll seamlessly transition into the first or second year of your chosen bachelor degree.

A reward for being you
ADJUSTMENT FACTORS

BOOST YOUR SELECTION RANK
If you’ve completed the HSC, interstate Year 12 examinations or the International Baccalaureate (IB) and included Macquarie in your preferences, you may be eligible to receive adjustments – additional points that can be added to your ATAR or equivalent admissions rank to boost your selection rank.
For many of our degrees, you can combine our adjustment factor schemes and receive up to 15 additional points.

Achievement-based adjustments

ACADEMIC ADVANTAGE SCHEME
If you’ve already put in the hard yards on subjects that relate to Macquarie degrees, you could get up to three additional points for each one, with a maximum of six points available.

BIG HISTORY SCHEME
If you complete our Big History: Connecting Knowledge MOOC (massive open online course), you may be eligible to earn three additional points.

ELITE ATHLETES AND ARTISTIC PERFORMERS SCHEME
If competitive commitments, such as training and performing, have affected your study preparation or HSC, you may be eligible to receive four additional points.

DUKE OF EDINBURGH’S, QUEEN’S SCOUT AND QUEEN’S GUIDE AWARDS SCHEMES
If you’ve completed the Duke of Edinburgh’s, the Queen’s Scout or the Queen’s Guide awards, you may be eligible to receive up to three additional points.

Location-based adjustments

REGIONAL ENTRY SCHEME
If you’re from regional or remote Australia and don’t have access to the same resources as students in cities and larger towns, you could receive up to nine additional points.

MACQUARIE CATCHMENT SCHEME
If you live in Macquarie’s catchment region, you may be eligible to receive five additional points.

Equity-based adjustments

EDUCATIONAL ACCESS SCHEME
If you’ve demonstrated a commitment to your studies but you’ve been affected by circumstances beyond your control, you could receive up to five additional points.

Dynamic and built for collaboration
OUR WALLUMATTAGAL CAMPUS

GET INVOLVED
Student life isn’t all about classrooms and exams. It’s also about making new friends, enjoying new experiences and learning about different cultures. With more than 140 student groups and sport clubs, Macquarie offers ample opportunity to meet new people, experience other cultures, test ideas and develop personal skills – communication and teamwork, for example.

LOOK AFTER YOUR PHYSICAL WELLBEING
The Macquarie University Sport and Aquatic Centre is conveniently located on campus. The centre offers flexible and student-friendly membership options, so you can gain access to the best university facilities in Australia. These include a state-of-the-art health club/gym with smart technology equipment; heated 50-metre outdoor and 25-metre indoor swimming pools; group fitness studios; indoor and outdoor courts for basketball, badminton, squash and more; and dedicated spaces for martial arts and gymnastics. We also offer social and competitive sport for everyone.

FEED YOUR BRAIN AND YOUR BODY
When you’re a busy uni student, you need to have the right fuel to optimise your study, work and play. With this in mind, we offer a range of on-campus food options that will keep your mind alert and your body nourished. With tasty options from all corners of the globe, you’ll be spoiled for choice when it comes to delicious food. And if you’ve got a craving for something that’s not available on campus, you’re only a short walk away from the nearby shopping centre.

WORLD-LEADING FACILITIES
More than $1 billion has been invested in recent years in our facilities and infrastructure, so you can thrive in an environment that’s inspiring and switched on to the latest digital technologies. If you’re undertaking a health, medical or psychology degree, you could be studying alongside experts from MQ Health and Cochlear, or within our Simulation Hub. Cybercrime more your thing? You may have opportunities to learn from academics and industry professionals within the Macquarie University Cyber Security Hub. For media students, there’s our digital newsroom, and science and IT students have access to some of the best labs in Asia-Pacific. And, regardless of which degree you undertake, if you have an entrepreneurial spirit, you’ll find inspiration and support in our incubator.

LIVE ON CAMPUS
The Central Courtyard Accommodation is located in the heart of the campus, so you can get to your classes in just a few minutes. Apartments contain six, four or twin bedrooms with shared living spaces and a premium kitchen. One-bedroom and studio apartments are also available. As a resident, you have exclusive access to study spaces, common rooms, game facilities and outdoor terraces. Utilities and wi-fi expenses are included in your rent, and our on-site accommodation team and residential advisers are available 24/7. The Central Courtyard Accommodation is the only residential accommodation managed and operated by the University. Other accommodation options include Dunmore Lang College, Robert Menzies College, Morling Residential College, Macquarie University Village and homestay.

TRAVEL YOUR WAY
Whether you prefer to travel by train, bus, car or bike, getting to Macquarie is easy.
Applying for a uni degree is a big step, and it can seem a little overwhelming at times. We get this, so we've taken all the tricky stuff and distilled it into seven easy steps. So that when it comes time for you to apply to uni, you've got all the information you need.

1. **EXPLORE**
   - Attend our events
     - Attend one or several of our on-campus events
     - Jump online and watch an info session or webinar

2. **SELECT**
   - Consider the degree you’d like to study
     - Check out potential careers and degrees on pages 10–11
     - Visit courses.mq.edu.au

3. **REVIEW**
   - Review your eligibility for our entry schemes and adjustment factors
     - Check out pages 8–9 for more information

4. **APPLY**
   - Apply for early entry schemes

5. **APPLY**
   - Apply for your chosen degree through UAC
     - Visit uac.edu.au for more information

6. **OFFER**
   - If you receive an offer
     - Congratulations and welcome to Macquarie. You’ll need to accept your offer at mq.edu.au/ug-secure and complete your enrolment online

7. **PATHWAYS**
   - If you don’t receive an offer
     - If you’re not accepted into your dream degree, consider undertaking a Macquarie University College course. Visit mq.edu.au/college for more information
