

# PARTICIPANTS NEEDED

## FOR A STUDY ON CHILDREN'S ACQUISITION OF LANGUAGE

Researchers at Macquarie University's child language acquisition lab are looking to investigate children's acquisition of complex sentence structures.

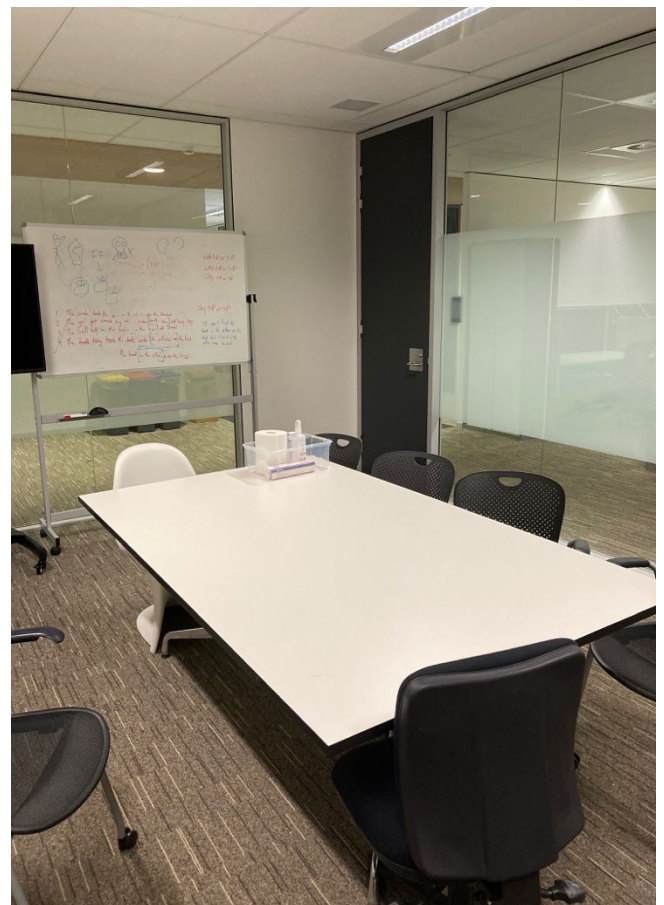

### YOU ARE INVITED IF:

- Your child is 4 or 5 years of age
- They speak English at home

### LOCATION AND DETAILS

The study will take place on Macquarie University's campus on the third level of the Hearing Hub. The experiment will take approximately half an hour and, and you will be compensated with a Coles/Myer gift card valued at \$20 each.

We are adhering to a Covid safe protocol and we regularly sanitize the lab and provide masks for you and your child. The lab (pictured to the right) is large and provides enough space for social distancing.
