Humanities and Social Sciences (HASS) Human Research Ethics Application v1.1

Project Id: [] Version: v1.27

Note: The applicant has changed an answer within this panel since the last submission. [View Changes](#)

11.1 Request for Amendment

11.1.0 Before completing this section:

- Complete this section if you are making changes to the application post approval. Amendments to the application post review, i.e. responses to the ethics committee, should be made in the body of the application.
- All changes to the content of the application must be made via track changes.
- Attach any revised documents to Section 10 of the application (including tracked and clean copies).

11.1.1 Indicate the nature of the change you are making to the project.

- Addition or removal of personnel
- Other project changes

11.1.1.2 Please explain the changes that are intended and the rationale for making these changes.
