Dear all

Please find the Australian Institute of Health Innovation (AIHI) Annual Report for 2019 [here](#).

We are pleased to showcase our internationally significant research as well as focus on the important impact we make to people’s lives.

We are very grateful for the support and collaboration of many individuals and institutions in Australia and internationally and appreciate this opportunity to share our research. We hope you enjoy the read.

If you would like more information, please contact us at aihi@mq.edu.au

Warm regards
Jeffrey, Johanna and Enrico

The Australian Institute of Health Innovation (AIHI) at Macquarie University conducts world-class research with national and international research communities, governments, policymakers, providers of health services, managers, clinicians, patients and the community. Our work underpins health reforms and systems improvement, providing new tools, perspectives and evidence to help stakeholders who are interested in making the health system more effective, efficient and productive. Our overarching aim is to produce new, high quality research evidence to support change, prevention and improvement.
