

Appendix 4 Reviews of fauna translocations

Date(s)	Author	Type(s)	Species	Location	Method
Not specified	¹ Williams <i>et al.</i> , 2013	Translocations	Birds	Global	www.conservationevidence.com. <i>Conservation Evidence</i> ; database and systematic reviews collated by the <i>Collaboration for Environmental Evidence</i> ; peer-reviewed literature
Up to 3/2009	Sheean <i>et al.</i> , 2012	Reintroductions Supplementations Introductions (conservation)	25 mammals; 9 birds; 3 amphibians; 1 fish; 1 invertebrate	Australia and offshore islands	Peer-reviewed literature
1991 - 2006	Germano & Bishop, 2009	Translocations (within natural range)	Amphibians and reptiles	Global	Peer-reviewed literature
Up to 2008	Short, 2009	Reintroductions (65%) Introductions (22%) Restocking (13%)	102 Vertebrates	Australia	Emphasis on threatened sp. (EPBC Act) published & grey literature; pers. Comms.
1990 - 2005	Seddon <i>et al.</i> , 2007	Reintroductions	Animals	Global	Report on general trends from peer-reviewed papers,
1996 - ~2003	(1)Possingham <i>et al.</i> , 2004 (2) Mawson, 2004	Translocations	15 mammal species, 3 bird species, and a few reptile species	Western Australia	Review of the Western Shield project: <i>Conservation science Western Australia</i> , 2004, (5)
1979 - 1998	Fisher & Lindenmayer, 2000	Relocations	Animals	Global	12 peer-reviewed journals
Not specified	Cade, 2000	Translocations	Raptors	Not specified in abstract	Report not sighted - cited in Godefroid et al 2011

~1980 - 1990s	Hodder & Bullock, 1997	Translocations	Vertebrates and invertebrates	United Kingdom	Examples of studies and proposed translocations in the UK
1993	Wolfe <i>et al.</i> , 1996	Translocations – intentional release	93 birds and mammals	USA & Canada (and possibly Aust & NZ)	Survey of wildlife professionals
Up to 1993	Cade & Temple, 1995	Not specified in abstract	Endangered birds	Not specified in abstract	Review of 30 presentations at a Symposium
~1970 - 1980	Meads, 1995	Translocations	4 threatened invertebrates	New Zealand	Overview of 4 specific case studies
Pre 1960 to 1995	Saunders, 1995	Translocations (establish, re-establish or augment)	Vertebrates	New Zealand	Historical overview
1907 - 1993	Copley, 1995	Translocations (both within and outside of native range)	Native vertebrates	South Australia	All documented attempts (presumably Government and some peer-reviewed journals)
1972 - 1980	Short <i>et al.</i> , 1992	Reintroductions	6 threatened wallabies (& a summary of other wallaby translocations)	Australia – WA & NSW	Reporting of case studies
Not specified	Stanley Price, 1991	Reintroductions	Mammals	Global	Report presented at Symposia of the Zoological Soc. London. Report not sighted – cited in Fischer et al 2000
~1962 - 1990	Dodd & Seigel, 1991	Repatriation (within natural range) Translocations (outside natural range)	25 species of amphibians and reptiles	Global	Peer-reviewed and grey literature

		Relocation (move from threat)			
1973 - 1986	Griffith <i>et al.</i> , 1989	Translocations – intentional release	93 birds and mammals of which 90% were game species	USA & Canada (and possibly Aust & NZ)	Survey of wildlife professionals
