The second Collaborative Australian Postgraduate Sea Training Alliance Network (CAPSTAN) programme voyage is scheduled to depart from Fremantle, Western Australia 10th March, 2020, arriving in Hobart, Tasmania, 19th March, 2020. A pre-departure workshop will be held in Fremantle from 8th March.

Collaborative Australian Postgraduate Sea Training Alliance Network (CAPSTAN) voyages focus on providing formal and informal training matched with relevant experiences related to physical, chemical, biological, and geological oceanography. This training voyage will consist of trainer run lectures and workshop sessions, practical hands-on experiences, sea training, and an assessment of student’s learning. CAPSTAN is managed by Macquarie University in collaboration with a network of leading industry and university partners, supported by a commitment of sea time on RV Investigator from the CSIRO Marine National Facility (MNF).

Please note that if your institution is a subscribed CAPSTAN member, your application will receive priority consideration during selection of the CAPSTAN participants. CAPSTAN is committed to diversity and social inclusion and particularly encourages Aboriginal and Torres Strait Islander People to apply.

You will receive an email notification no later than 30 September informing you of your outcome. Please note, all berth offers are subject to approval by your home institution. Additionally, if you are offered a spot in order to participate you must complete acceptance forms and required documentation by the specified date, pass a MNF medical, and you must be endorsed and indemnified by their University/Institute or Organisation. Failure to meet any of these requirements will result in forfeiture of your offer. If you have any queries or are ready to submit your application please use the e-mail address: fse.capstanapps@mq.edu.au

This e-mail address is monitored once a week and we appreciate your patience whilst we acknowledge your application or answer your enquiry.
