CENTRE FOR EMOTIONAL HEALTH CLINIC

Australian Hearing Hub
Level 1, 16 University Avenue
Macquarie University NSW 2109

Open to the public, the Centre for Emotional Health Clinic provides evidenced-based assessment and treatment to clients experiencing emotional health issues across the lifespan. Our psychologists have expertise in anxiety, depression, PTSD, OCD, somatic complaints, school refusal, self-esteem, work and exam stress, selective mutism and parenting. We are also the home of specialist programs such as Cool Kids and Aging Wisely.

The clinic is a part of the Centre for Emotional Health, an internationally renowned centre of research excellence. Our research focuses on the origins, consequences, management and prevention of anxiety and related emotional difficulties across the lifespan.
