Global Leadership Entry Program

Your students can now:

✓ choose from over 89 courses
✓ choose up to five course preferences
✓ receive an offer as early as June
✓ receive multiple offers for different degrees
✓ apply directly through our application portal
Global Leadership Entry Program

Welcome to the application portal for the Global Leadership Entry Program (GLEP).

If you’re active in your school and local community, and achieving good results at school, then we want to hear from you. The GLEP is for students who are passionate about making a difference in the world and interested in developing their leadership skills.

Are you eligible?

To be eligible for the program you must be completing the NSW Higher School Certificate, ACT Senior Secondary Certificate or International Baccalaureate in 2018.

Before you apply

Download, complete and sign the mandatory GLEP Supporting Information Form, which is required as part of your application. Use your personal email address, not a school one, as we will use this email address to contact you about your application.

Selecting your preferences

We believe that choosing a course is one of the most important decisions you’ll ever make. From this year, we have given you the opportunity to select up to five preferences per offer round. If your application is successful, you will be offered the course that is your highest eligible preference.
