**MACQUARIE**  
University  
SYDNEY · AUSTRALIA

<b>CANDIDATE DETAILS (please PRINT clearly or TYPE)</b>			
Family Name		Given Name	
Student No			
Supervisor's Name			
Faculty			

**Please provide the Committee with an account of how your revised thesis is now ready for re-examination. In your account, you should include a list of the substantive changes you have made to your revised thesis in response to examiners' reports and major changes you have made to the overall design, approach, methodology or structure of your thesis. Also describe here any new research you have done. (Maximum of 5 pages)**

--

**Part B: Confirmation by the Principal Supervisor  
(to be completed by the supervisor and endorsed by the Head of Department and the Associate Dean (HDR) of Faculty)**

**To: Research and Research Training Committee.**

I confirm that I have seen the corrected copies of the thesis by the above mentioned student with the title of:

--

<b>Supervisor's Report:</b>

I have read the reports of the examiners, and I can confirm that the candidate has completed the corrections and/or amendments as required by the examiners and the Research and Research Training Committee.

I recommend that the thesis now be sent out for re-examination.
