Year 1
8 units inclusive of:

- Research Communications Unit
- Research Frontiers Unit
- 6 units of Advanced Disciplinary content
- MRES700 Research Communications
- BIOL700 Research Frontiers in Biology

Four core units for biological sciences as shown below:
- BIOL703 Research Skills in Biology
- BIOL711 Topics in Evolution
- BIOL760 Biology in 21st Century
- BIOL799 Advanced Research Topics in Biology

Two units could be taken from list below or elsewhere:
- BIOL701 Research Topics in Biology 1
- BIOL761 Conservation of Australasian Wildlife
- BIOL787 Biodiversity Conservation
- BIOL773 Marine Conservation and Management
- BIOL766 Advanced Studies in Palaeobiology

Example Pattern:
