

Joint Industry-Focussed MQ Photonics Seminar

3 pm Thursday 4 April

1. Visit to Avalon Air Show –
Rich Mildren

2. Science meets Business –
Judith Dawes

Location: Multi-purpose room, 2.300
7WW

Abstract: MQ Photonics has a vision to become more outward-looking in its research focus and in its engagement with industry and end users. Rich and Judith will report on their visits to the defence-focussed Avalon Air Show and STA's Science Meets Business.
