2020 ARC DECRA Expression of Interest through Macquarie University
Expressions of Interest (EOI) must be submitted using this form by 5 pm (AEST) Wednesday 24 October 2018.

Please note the following:
- Hard copies will NOT be accepted
- Responses must be submitted using this form
- Responses can only contain plain text. Rich text and images cannot be entered into this form.
- Your responses will only be recorded once you click "Submit" on the final page of this form
- It is recommended that you download the form template (https://goto.mq.edu.au/de20-eoi-template) and complete your EOI in Word before completing this online form. You will not be able to complete this online form in stages. You can only save this online form once it is fully complete.
- You will receive a confirmation email containing a copy of your responses once you submit the form
- You can edit your EOI after submitting your form up until the EOI due date
- EOI's that are incomplete will be ruled ineligible

Faculty contacts for inquires on EOI submission:
- Arts, Jan Zwar, ArtsRO@mq.edu.au
- Business and Economics, Agnieszka Baginska, fberu@mq.edu.au
- Human Sciences, Jo Tuck, humansciencesresearch@mq.edu.au
- Medicine and Health Sciences, Kyle Ratinac, fmhs.researchsupport@mq.edu.au
- Science and Engineering, Irina Zakoshanski, sci.research@mq.edu.au

* Required

1. Email address *

A) Details of the Proposed DECRA Candidate

2. Title (e.g. Dr) *

3. First name *

4. Last name *

5. Phone number *

6. Postal address *
7. Current Institution, Faculty and Department *

B) Primary Macquarie University contact/mentor

8. Title (e.g. Prof) *

9. First name *

10. Last name *

11. Email address *

12. Phone number *

13. Faculty *
   
   Mark only one oval.
   
   ☐ Faculty of Arts
   ☐ Faculty of Business and Economics
   ☐ Faculty of Human Sciences
   ☐ Faculty of Medicine and Health Sciences
   ☐ Faculty of Science and Engineering

14. Department/School *

15. Have you discussed this application with your contact? *
   
   Mark only one oval.
   
   ☐ Yes
   ☐ No

C) PhD details
16. Has your PhD been awarded? Note: candidates must have been awarded their PhD on or after 1 March 2014, unless they have had periods of significant career interruption (see the DECRA Funding Rules from last round: http://www.arc.gov.au/discovery-program-funding-rules). *
   Mark only one oval.
   ☐ Yes  Skip to question 17.
   ☐ No  Skip to question 19.

D) PhD conferral details

17. What date was your PhD awarded (i.e. the date on your testamur)? *
   Example: December 15, 2012

18. What was the name of the awarding institution? *

   Skip to question 20.

E) PhD thesis details

19. What date was your PhD thesis submitted? *
   Example: December 15, 2012

20. What is the name of the institution? *

F) Career interruptions

If applicable, provide details of career interruptions which have affected your track record (see the DECRA Funding Rules from last round: http://www.arc.gov.au/discovery-program-funding-rules and eligibility exemption request form from last round: https://goto.mq.edu.au/arc-eligibility-exemption-request-form). Please calculate the total time length of the interruption (e.g. “Since receiving my PhD I have experienced a total of 6 months 5 days interruption”). (250-word limit)

21. Describe any career interruptions

G) Previous DECRA submissions

22. Have you previously applied for a DECRA? *
   Mark only one oval.
   ☐ Yes  Skip to question 23.
   ☐ No  Skip to question 24.
23. How many times have you previously applied for a DECRA? (Note: a researcher may only apply for up to two DECRAs over the period in which they are eligible) *

Mark only one oval.

☐ 1

☐ 2 or more (if you have already submitted 2 or more DECRA applications, you are not eligible to apply again in the DECRA scheme)

I) Qualifications
Please limit this response to 500 words

24. List your qualifications *

J) Employment history
Please limit this response to 500 words

25. List your employment history *

K) Publication list
List publications under the following headings and in this order:
- Scholarly Books
- Scholarly Book Chapters
- Edited Research Books
- Refereed Journal Articles
- Refereed Conference Papers Published in Full
- Other Research Outputs (including non-traditional research outputs)

The referencing requirements for the publication list are:
- Include the acceptance date for all "in press", "forthcoming" or "accepted" publications using the following format DD/MM/YYYY
- Do not include publications that have been submitted but not yet been accepted for publication
- Provide referencing details, including full author list as published and page numbers
- For every book/book chapter/journal article, provide indicators of the quality and impact of the publication (e.g. journal impact factor, number of citations, reputation of editor or publisher)
- Asterisk publications relevant to this proposal
- Number the list consecutively
26. List your publications *

L) Research funding
List up to 10 of your most significant funding awards or requests. Please include:
- Research funding that has been awarded and any requests that are still pending. Clearly identify each grant as awarded or requested.
- Funding agency (include URL)
- All named investigators and your role on the project (e.g. second Chief Investigator)
- Project title
- Years funded (e.g. 2015-2017)

27. List your past research funding awards or requests *

M) Research achievements
Include details regarding the following (500-word limit):
- Awards, prizes, honours, invitations
- Conference presentations
- Professional disciplinary involvement (e.g. conference organisation, committee involvement, journal article reviewing, etc)
- Supervision/team leadership
- Outreach activities (e.g. public lectures, working with schools, media involvement, etc)
- Teaching
- Anything else of note

28. Describe your research achievements *

N) Research skills and impact
Research skills and evidence of impact in your research field (250-word limit):
- Focus on what makes your research achievements interesting and unique
- Explain how your experience, skills and expertise will contribute to the success of the proposed project provide evidence of impact in your research field
29. Describe your research skills and impact *

O) Proposed DECRA project

30. Provide a short descriptive title (20-word limit) *

31. Brief DECRA project description. Provide an overview of your project, including aims, significance, innovation, plan to build collaborations, expected outcomes and national benefit (500-word limit). *

32. Strategic alignment of the DECRA project. Describe how the proposed research aligns with the research strengths of Macquarie University (see the Macquarie University Strategic Research Framework 2015–2024: https://www.mq.edu.au/research/research-expertise/research-strategy-and-framework). (250-word limit) *

33. DECRA project feasibility. Does the project require any specific equipment or infrastructure? Are these resources available at Macquarie University? If not, how will appropriate access be assured? (250-word limit) *
34. Knowledge of EOI process. How did you find out about this Macquarie University DECRA EOI process? E.g. Macquarie University announcement, Macquarie University flyer, colleague, email list server, etc. *

Thank you for completing your expression of interest

A copy of your responses will be emailed to the address you provided
