2021 ARC DECRA Expression of Interest through Macquarie University

Expressions of Interest (EOI) must be submitted using this form by 5 pm (AEST) Thursday 15 August 2019.

Please note the following:
- Responses must be submitted using this form
- Chrome is the recommended browser for completing this EOI to ensure compatibility with the form
- Responses can only contain plain text. Rich text and images cannot be entered into this form.
- Your responses will only be recorded once you click "Submit" on the final page of this form
- It is recommended that you download the form template (https://goto.mq.edu.au/de21-eoi-template) and complete your EOI in Word before completing this online form. You will not be able to complete this online form in stages. You can only save this online form once it is fully complete.
- You will receive a confirmation email containing a copy of your responses once you submit the form
- If you receive this error message when trying to submit your form, "Your response is too large, try shortening some answers", please email your list of research outputs as a PDF to research.preaward@mq.edu.au and in Part J of this form only write, "Research output list emailed to research.preaward@mq.edu.au"
- EOIs that are incomplete will be ruled ineligible

Faculty contacts for inquiries on EOI submission:
- Faculty of Arts, Jan Zwar, ArtsRO@mq.edu.au
- Faculty of Human Sciences, Jo Tuck, humansciencesresearch@mq.edu.au
- Faculty of Medicine and Health Sciences, Kyle Ratinac, fmhs.researchsupport@mq.edu.au
- Faculty of Science and Engineering, Irina Zakoshanski, sci.research@mq.edu.au
- Macquarie Business School, Agnieszka Baginska, mqbs-ro@mq.edu.au

* Required

1. Email address *

A) Details of the Proposed DECRA Candidate

2. Title (e.g. Dr) *

3. First name *

4. Last name *

5. Phone number *
6. Postal address *

7. Name of current Department, Faculty and Institution *

B) Primary Macquarie University contact/mentor

8. Title (e.g. Prof) *

9. First name *

10. Last name *

11. Email address *

12. Phone number *

13. Faculty *
   Mark only one oval.
   - Faculty of Arts
   - Faculty of Human Sciences
   - Faculty of Medicine and Health Sciences
   - Faculty of Science and Engineering
   - Macquarie Business School

14. Department/School *
15. Have you discussed this application with your contact? *  
   Mark only one oval.
   ☐ Yes
   ☐ No

C) PhD details

16. Has your PhD been awarded? Note: although the Grant Guidelines for the 2021 ARC DECRA round have not yet been released, based on the Grant Guidelines from the 2019 round, we expect candidates will be required to have been awarded their PhD on or after 1 March 2015, unless they have had periods of significant career interruption *  
   Mark only one oval.
   ☐ Yes  Skip to question 17.
   ☐ No  Skip to question 19.

D) PhD conferral details

17. What date was your PhD awarded (i.e. the date on your testamur)? *
   Example: December 15, 2012

18. What was the name of the awarding institution? *

Skip to question 21.

E) PhD thesis details

19. What date was your PhD thesis submitted? *
   Example: December 15, 2012

20. What is the name of the institution? *

F) Career interruptions

If applicable, provide details of career interruptions which have affected your track record. See the eligibility exemption request form from last round for eligible types of career interruptions: https://goto.mq.edu.au/arc-eligibility-exemption-request-form). Please calculate the total time length of the interruption (e.g. “Since the award of my PhD I have experienced a total of 6 months 5 days interruption”).

21. Describe any career interruptions (please limit your response to 100 words)

G) Previous DECRA submissions
22. How many times have you previously applied for a DECRA? (Note: a researcher may only apply for a DECRA two times over the period in which they are eligible) *

Mark only one oval.

☐ 0
☐ 1

H) Qualifications

23. List your qualifications (please limit your response to 250 words) *

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

I) Employment history

24. List your employment history (please limit your response to 250 words) *

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

J) List of research outputs

List your research outputs under the following headings and in this order:
- Authored books
- Edited books
- Book chapters
- Refereed journal articles
- Fully refereed conference proceedings
- Other research outputs (including non-traditional research outputs)

The referencing requirements for the list of research outputs are:
- Include the acceptance date for all "in press", "forthcoming" or "accepted" publications using the following format DD/MM/YYYY
- Do not include publications that have been submitted but not yet been accepted for publication
- Provide referencing details, including full author list as published and page numbers
- For each research output you may provide indicators of its quality and impact (e.g. journal impact factor, number of citations, reputation of editor or publisher)
- Asterisk publications relevant to this proposal
- Number the list consecutively

When you complete this EOI, if you receive this error message, “Your response is too large, try shortening some answers”, please email your list of research outputs as a PDF to research.preaward@mq.edu.au. In this case, in your answer below, only write, “Research output list emailed to research.preaward@mq.edu.au”.

25. **List your research outputs** *

K) **Research funding**
List your most significant funding awards or requests. Please include:
- Research funding that has been awarded and any requests that are still pending. Clearly identify each grant as awarded or requested.
- Funding agency (include URL)
- All named investigators and your role on the project (e.g. second Chief Investigator)
- Project title
- Years funded (e.g. 2015-2017)

26. **List your past research funding awards or requests (please limit your response to 500 words)** *

L) **Research achievements**
Include details of the following:
- Awards, prizes, honours, invitations
- Invited keynote and speaker addresses
- Conference presentations
- Professional disciplinary involvement (e.g. conference organisation, committee involvement, journal editor, journal article reviewing, etc)
- Commercial outcomes (e.g. patents, IP licences and resulting benefits)
- Outreach activities (e.g. public lectures, working with schools, media involvement, etc)
- Teaching
- Anything else of note

27. **Describe your research achievements (please limit your response to 500 words)** *

M) **Research skills and impact**
To describe your research skills and evidence of impact in your research field:
- Focus on what makes your research achievements interesting and unique
- Explain how your experience, skills and expertise will contribute to the success of the proposed project
- Provide evidence of the impact and benefit of your research beyond academia
28. Describe your research skills and impact (please limit your response to 250 words) *

N) Proposed DECRA project

29. Provide a short descriptive title (please limit your response to 20 words) *

30. Brief DECRA project description. Provide an overview of your project, including aims, significance, innovation, plan for building collaborations, expected outcomes and national benefit (please limit your response to 500 words). *

31. Strategic alignment of the DECRA project. Describe how the proposed research aligns with the research strengths of Macquarie University (see the Macquarie University Strategic Research Framework 2015–2024: https://www.mq.edu.au/research/research-expertise/research-strategy-and-framework). (please limit your response to 250 words) *

32. DECRA project feasibility. Does the project require any specific equipment or infrastructure? Are these resources available at Macquarie University? If not, how will appropriate access be assured? (please limit your response to 250 words) *
33. Knowledge of EOI process. How did you find out about this Macquarie University DECRA EOI process? E.g. Macquarie University announcement, Macquarie University flyer, colleague, email list server, etc (please limit your response to 100 words) *

Thank you for completing your expression of interest

A copy of your responses will be emailed to the address you provided
