

2020 ARC Future Fellowship Expression of Interest through Macquarie University

Expressions of Interest (EOI) must be submitted using this form by 5 pm (AEST) Thursday 15 August 2019.

Please note the following:

- Responses must be submitted using this form
- Chrome is the recommended browser for completing this EOI to ensure compatibility with the form
- Responses can only contain plain text. Rich text and images cannot be entered into this form.
- Your responses will only be recorded once you click "Submit" on the final page of this form
- It is recommended that you download the form template (<https://goto.mq.edu.au/arc-ft20-eoi-template>) and complete your EOI in Word before completing this online form. You will not be able to complete this online form in stages. You can only save this online form once it is fully complete.
- You will receive a confirmation email containing a copy of your responses once you submit the form
- If you receive this error message when trying to submit your form, "Your response is too large, try shortening some answers", please email your list of research outputs as a PDF to research.preaward@mq.edu.au and in Part J of this form only write, "Research output list emailed to research.preaward@mq.edu.au"
- EOIs that are incomplete will be ruled ineligible
- Applicants who are not currently on a continuing appointment at Macquarie University may be required to sit for an interview. Such applicants will proceed to the full application stage should their interview be successful and their EOI be approved.

Faculty contacts for inquiries on EOI submission:

- Faculty of Arts, Jan Zwar, ArtsRO@mq.edu.au
- Faculty of Human Sciences, Jo Tuck, humansciencesresearch@mq.edu.au
- Faculty of Medicine and Health Sciences, Kyle Ratinac, fmhs.researchsupport@mq.edu.au
- Faculty of Science and Engineering, Irina Zakoshanski, sci.research@mq.edu.au
- Macquarie Business School, Agnieszka Baginska, mqbs-ro@mq.edu.au

* Required

1. Email address *

A) Details of the Proposed Future Fellowship Candidate

2. Title (e.g. Dr, Prof) *

3. First name *

4. Last name *

5. Phone number *

6. Postal address *

7. Name of current Department, Faculty and Institution *

8. Please discuss this EOI application with a Macquarie University representative. E.g. Associate Dean (Research), Head of Department, Faculty Research Manager, or academic. Please supply the name and role of the Macquarie University representative(s) you have discussed this EOI application with. *

B) Proposed Faculty/School/Department

9. Faculty *

Mark only one oval.

- Faculty of Arts
- Faculty of Human Sciences
- Faculty of Medicine and Health Sciences
- Faculty of Science and Engineering
- Macquarie Business School

10. Department/School *

C) PhD details

11. When was your PhD awarded? i.e. the date on your testamur. Note: although the Grant Guidelines for the 2020 ARC Future Fellowship round have not yet been released, based on the Grant Guidelines from the 2019 round, we expect candidates will be required to have been awarded their PhD on or between 1 March 2005 and 1 March 2015, unless they have had periods of significant career interruption. *

Example: December 15, 2012

D) Career interruptions

If applicable, provide details of career interruptions which have affected your track record. See the eligibility exemption request form from last round for eligible types of career interruptions: <https://goto.mq.edu.au/arc-eligibility-exemption-request-form>). Please calculate the total time length of the interruption (e.g. "Since the award of my PhD I have experienced a total of 6 months 5 days interruption").

12. Describe any career interruptions (please limit your response to 100 words)

E) Previous Future Fellowship submissions

13. How many times have you previously applied for an ARC Future Fellowship? (Note: a researcher may only apply for a Future Fellowship 3 times over the period in which they are eligible) *

Mark only one oval.

- 0
 1
 2

F) Future Fellowship salary level

14. A Future Fellowship salary can be requested at one of three levels based on your academic level at the time of application submission. In accordance with the Future Fellowship Grant Guidelines from last round, what will be your academic level (and associated Future Fellowship Salary Level) on the 2020 Future Fellowship submission date (expected to be in November 2019)? *

Mark only one oval.

- Academic Level A or B – Level 1 Future Fellowship
 Academic Level C – Level 2 Future Fellowship
 Academic Level D or E – Level 3 Future Fellowship
 I am unsure as I do not currently hold an academic position in Australia
 Other: _____

G) Qualifications

15. List your qualifications (please limit your response to 250 words) *

H) Employment history

16. List your employment history (please limit your response to 250 words) *

I) Research funding

List your most significant funding awards or requests. Please include:

- Research funding that has been awarded and any requests that are still pending. Clearly identify each grant as awarded or requested.
- Funding agency (include URL)
- All named investigators and your role on the project (e.g. second Chief Investigator)
- Project title
- Years funded (e.g. 2015-2017)

17. List your past research funding awards or requests (please limit your response to 500 words) *

J) List of research outputs

List your research outputs under the following headings and in this order:

- Authored books
- Edited books
- Book chapters
- Refereed journal articles
- Fully refereed conference proceedings
- Other research outputs (including non-traditional research outputs)

The referencing requirements for the list of research outputs are:

- Include the acceptance date for all "in press", "forthcoming" or "accepted" publications using the following format DD/MM/YYYY
- Do not include publications that have been submitted but not yet been accepted for publication
- Provide referencing details, including full author list as published and page numbers
- For each research output you may provide indicators of its quality and impact (e.g. journal impact factor, number of citations, reputation of editor or publisher)
- Asterisk publications relevant to this proposal
- Number the list consecutively

When you complete this EOI, if you receive this error message, "Your response is too large, try shortening some answers", please email your list of research outputs as a PDF to research.preaward@mq.edu.au. In this case, in your answer below, only write, "Research output list emailed to research.preaward@mq.edu.au".

18. List your research outputs *

K) Research achievements

Include details of the following:

- Awards, prizes, honours, invitations
- Invited keynote and speaker addresses
- Conference presentations
- Professional disciplinary involvement (e.g. conference organisation, committee involvement, journal editor, journal article reviewing, etc)
- Commercial outcomes (e.g. patents, IP licences and resulting benefits)
- Outreach activities (e.g. public lectures, working with schools, media involvement, etc)
- Anything else of note

19. Describe your research achievements (please limit your response to 500 words) *

L) Research skills and impact

To describe your research skills and evidence of impact in your research field:

- Focus on what makes your research achievements interesting and unique
- Explain how your experience, skills and expertise will contribute to the success of the proposed project
- Provide evidence of the impact and benefit of your research beyond academia

20. Describe your research skills and impact (please limit your response to 250 words) *

M) Evidence of leadership

21. Describe your leadership ability and capacity to build world-class teams (please limit your response to 250 words) *

N) Mentoring and supervision experience

22. Describe your research mentoring and supervision experience of HDR students and early-career researchers and your commitment to providing a high-quality training environment (please limit your response to 250 words) *

O) Teaching experience

23. Describe your experience in teaching undergraduate and postgraduate coursework (please limit your response to 250 words) *

P) Proposed Future Fellowship project

24. Provide a short descriptive title (please limit your response to 20 words) *

25. Brief Future Fellowship project description. Provide an overview of your project, including aims, significance, innovation, plan for building collaborations, expected outcomes and national benefit (please limit your response to 500 words) *

26. **Strategic alignment of the Future Fellowship project. Describe how the proposed research aligns with the research strengths of Macquarie University (see the Macquarie University Strategic Research Framework 2015–2024: <https://www.mq.edu.au/research/research-expertise/research-strategy-and-framework>). (please limit your response to 250 words) ***

27. **Future Fellowship project feasibility. Does the project require any specific equipment or infrastructure? Are these resources available at Macquarie University? If not, how will appropriate access be assured? (please limit your response to 250 words) ***

28. **Contribution to the Department/School. Please describe how you plan to contribute to the Department/School in terms of teaching, research and leadership both during and beyond the four-year term of the Fellowship (please limit your response to 250 words) ***

Thank you for completing your expression of interest

A copy of your responses will be emailed to the address you provided
