### Domestic Undergraduate Enrolment Checklist

#### Accept your offer
- Retrieve your Student ID in Step 1.
- Log in to eStudent via the Enrolment Navigator in Step 3. There you can:
  1. Accept your offer
  2. Submit your Commonwealth Support and HECS-HELP eCAF and pay or defer your Student Services and Amenities Fee (SSAF).

- If you have undertaken any previous studies and want them recognised towards your degree, you can apply for [Recognition of Prior Learning (RPL)](#).

#### Enrol in units and select your timetable
- Refer to your Program Guide in **Step 2** and check out the enrolment resources in the Enrolment Navigator in **Step 3**.
- Log in to eStudent and do the following:
  1. Check and update your personal details.
  2. Enrol in units.
  3. Register in classes and create your timetable.

#### Getting ready for your first day
- Activate your OneID. Your OneID allows access to iLearn, email and Ask.MQ. More information can be found in the What’s next tab on eStudent.
- Log in to your student email via gmail.com. You will receive your email address after activating your One.ID. Log in using your email address and OneID password.
- Log in to iLearn and access your Faculty support information as well as your learning materials for each of your units.
- Once you have enrolled in units, you can get your campus card in one of two ways:
  1. Online via [CaptureME](#), which enables you to take and submit your own photo for your Macquarie University campus card. You can log in to CaptureMe using your OneID.
  2. In person at Student Connect. Remember to bring official photo ID with you, such as a valid driver’s license, passport or proof of age card.

You can find more information about getting your campus card [here](#).
