---

* Double degree options exist for this course. Minimum entry score for double degrees align with the higher requirements of the two single degrees.
* **Degree has a choice of major or specialisation**
* Additional notes available.
* **Only available as double degrees. Applicants already holding a Bachelor degree may apply for the Master of Teaching (Primary) or (Secondary).**
* **Entry to Bachelor from this qualification applies to selected schools only.**
* **Further information and details on other accepted evidence of English proficiency can be found on the Macquarie University website.**

Visit mq.edu.au/academic-requirements for further accepted qualifications.
Potential courses for further accepted qualifications.

For all other qualifications, please contact your local Macquarie University Admissions representative for further information.

**How Scores are Calculated**

Canada

A (High 6.0) is the highest grade awarded at both the University of Melbourne and Macquarie University. B- (High 3.5) is the highest grade awarded at Macquarie University.

Europe

The grades and score equivalents for European qualifications are based on the average grade in the best three or four subjects.

Global

Scores for the 2023 International Level (GCSE A-Level) are calculated based on the average of the best three subjects.

Australia

Scores for the Australian Matriculation (NSC) are calculated using the average grade of the best four subjects.

New Zealand

Scores are calculated based on the average of the best four subjects.

South Africa

Scores are calculated based on the average of the best four subjects.

Superior Academic Degree Courses

Scores for the Thai University Admission Test (GAT) are calculated based on the average of the best four subjects.

Tanzania

Scores for the Tanzanian Advanced Certificate of Education (TACE) are calculated based on the average of the best four subjects.

Thailand

Scores for the Thai Advanced Level (ACE) are calculated based on the average of the best four subjects.

Usa

Scores for the Advanced Placement (AP) tests are calculated based on the average of the best four subjects.

South Korea

Scores for the Korean University Joint Entrance Test are calculated based on the average of the best four subjects.

Canada

Scores for the University of Toronto are calculated based on the average of the best four subjects.

Europe

Scores for the European Baccalaureate are calculated based on the average grade in the best four subjects.

Global

Scores for the International Baccalaureate (IB) are calculated based on the average grade in the best four subjects.

Australia

Scores for the Australian Matriculation (NSC) are calculated using the average grade of the best four subjects.

South Africa

Scores are calculated based on the average of the best four subjects.

Superior Academic Degree Courses

Scores for the Thai University Admission Test (GAT) are calculated based on the average of the best four subjects.

Tanzania

Scores for the Tanzanian Advanced Certificate of Education (TACE) are calculated based on the average of the best four subjects.

Thailand

Scores for the Thai Advanced Level (ACE) are calculated based on the average of the best four subjects.

Usa

Scores for the Advanced Placement (AP) tests are calculated based on the average of the best four subjects.

South Korea

Scores for the Korean University Joint Entrance Test are calculated based on the average of the best four subjects.

Canada

Scores for the University of Toronto are calculated based on the average of the best four subjects.

Europe

Scores for the European Baccalaureate are calculated based on the average grade in the best four subjects.

Global

Scores for the International Baccalaureate (IB) are calculated based on the average grade in the best four subjects.

Australia

Scores for the Australian Matriculation (NSC) are calculated using the average grade of the best four subjects.

South Africa

Scores are calculated based on the average of the best four subjects.

Superior Academic Degree Courses

Scores for the Thai University Admission Test (GAT) are calculated based on the average of the best four subjects.

Tanzania

Scores for the Tanzanian Advanced Certificate of Education (TACE) are calculated based on the average of the best four subjects.

Thailand

Scores for the Thai Advanced Level (ACE) are calculated based on the average of the best four subjects.

Usa

Scores for the Advanced Placement (AP) tests are calculated based on the average of the best four subjects.

South Korea

Scores for the Korean University Joint Entrance Test are calculated based on the average of the best four subjects.

Canada

Scores for the University of Toronto are calculated based on the average of the best four subjects.

Europe

Scores for the European Baccalaureate are calculated based on the average grade in the best four subjects.

Global

Scores for the International Baccalaureate (IB) are calculated based on the average grade in the best four subjects.

Australia

Scores for the Australian Matriculation (NSC) are calculated using the average grade of the best four subjects.

South Africa

Scores are calculated based on the average of the best four subjects.

Superior Academic Degree Courses

Scores for the Thai University Admission Test (GAT) are calculated based on the average of the best four subjects.

Tanzania

Scores for the Tanzanian Advanced Certificate of Education (TACE) are calculated based on the average of the best four subjects.

Thailand

Scores for the Thai Advanced Level (ACE) are calculated based on the average of the best four subjects.

Usa

Scores for the Advanced Placement (AP) tests are calculated based on the average of the best four subjects.

South Korea

Scores for the Korean University Joint Entrance Test are calculated based on the average of the best four subjects.

Canada

Scores for the University of Toronto are calculated based on the average of the best four subjects.

Europe

Scores for the European Baccalaureate are calculated based on the average grade in the best four subjects.

Global

Scores for the International Baccalaureate (IB) are calculated based on the average grade in the best four subjects.

Australia

Scores for the Australian Matriculation (NSC) are calculated using the average grade of the best four subjects.

South Africa

Scores are calculated based on the average of the best four subjects.

Superior Academic Degree Courses

Scores for the Thai University Admission Test (GAT) are calculated based on the average of the best four subjects.

Tanzania

Scores for the Tanzanian Advanced Certificate of Education (TACE) are calculated based on the average of the best four subjects.

Thailand

Scores for the Thai Advanced Level (ACE) are calculated based on the average of the best four subjects.

Usa
