Macquarie Entry

Entry programs

MACQUARIE LEADERS AND ACHIEVERS
This early entry program recognises your academic performance alongside your extracurricular activities, such as leadership initiatives, community service and personal achievement.

mq.edu.au/leaders-and-achievers

SCHOOLS RECOMMENDATION SCHEME
The Schools Recommendation Scheme (SRS) allows your school to recommend you for an early university offer. We’ll look at your Year 11 academic achievements as well as your school’s rating of your aptitude and learning ability. If you’re ready to join us, we’ll make you an early offer.

mq.edu.au/srs

ACADEMIC ENTRY PROGRAM
Our Academic Entry Program matches your strengths to our world-class degrees. Rather than considering only your selection rank, we review your results for the HSC subjects that correspond to select Macquarie degrees and make an offer based on your performance in these subjects.

mq.edu.au/academic-entry

ATAR + ADJUSTMENT FACTORS
You may receive an offer to study at Macquarie based on your ATAR plus any adjustments (additional points that may be used in combination with your ATAR to derive your selection rank) that you may be eligible for.

mq.edu.au/adjustment-factors

GIFTED AND TALENTED ENTRY PROGRAM
If you’re looking to complete accelerated HSC subjects, you’re demonstrating outstanding academic achievement in another way or you’ve completed an accelerated HSC subject and achieved a Band 6 or E4, this program will allow you to get a head start on your peers by completing university units while you’re still at school.

mq.edu.au/gifted-and-talented

Pathway programs

FOUNDATION AND INTENSIVE PROGRAMS
If you’ve completed at least a Year 12 equivalent (for the Intensive Program) or Year 11 equivalent (for the Standard Program), successfully completing either of these programs will allow you to seamlessly transition to the first year of your undergraduate degree, as long as you meet the entry requirements.

mq.edu.au/college

DIPLOMAS
Each of our four diplomas are equivalent to the first year of a bachelor degree. On successful completion, you can seamlessly transition to the second year of your undergraduate degree, as long as you meet the entry requirements.

mq.edu.au/college

ABORIGINAL AND TORRES STRAIT ISLANDER ENTRY PATHWAY
This admissions pathway provides opportunities for Aboriginal and/or Torres Strait Islander students to study undergraduate degrees at Macquarie.
