Insurance

✓ Travel insurance
Students must make sure they have taken out travel insurance with emergency medical evacuation in case of serious health problems, accident, etc., before leaving their countries. NB: Visa requirements often include emergency medical evacuation and repatriation insurance.

✓ Health insurance
Each student can benefit from the French Social Security for partial refund of medical fees. We strongly encourage all non-European students to subscribe to a private insurance for full coverage during their stay in France. European students have to ask for an EHIC card (European Health Insurance Card) in their home country prior to their departure. It has to be valid for their entire stay in Rennes.

✓ Accommodation insurance
French law stipulates that all persons who rent accommodation must have civil responsibility and third party insurance for their address in France; some property owners include this in their «rental package». If not, the students can buy this from their French bank or health insurance companies.

Visa

All non-European students will have to apply for a visa. Please check with you nearest Campus France agency, French Embassy or Consulate.

✓ Only for students with “ETUDIANT” written on it: the OFII form will enable the students to travel in Schengen-member countries and will entitle them to the housing allowance. If they do not go through this formality, they may not be able to re-enter France in the future.

✓ Upon acceptance at Rennes SB, students will receive the official acceptance letter in English, its translation into French (for visa purposes) and an additional letter in French for the Embassy / Campus France agency.
